--	--	--	--	--	--	--	--

11	College Testing Workshop	1	ASCA Mindsets & Behaviors - Components of College and Career Readiness Counseling, SEL	Students and parents are invited to learn about the SAT, PSAT and ACT tests, college admissions policies and procedures as well as registration information	School Counselors	Parents and students provide feedback in the form of evaluation forms. These responses are reviewed and used as a guide for upcoming presentations and workshops.
11	College Planning Workshop	1	ASCA Mindsets & Behaviors - Components of College and Career Readiness Counseling, SEL	Guidance counselors meet in groups with their parents/students to review all aspects of the college search and planning progress, including factors to consider when choosing a college, college testing requirements, college essays, letters of recommendation	School Counselors	Parents and students provide feedback in the form of evaluation forms. These responses are reviewed and used as a guide for upcoming presentations and workshops.
11	Junior Planning Meetings	1	ASCA Mindsets & Behaviors - Components of College and Career Readiness Counseling, SEL	Students and parents will understand all aspects of the college search and planning process on an individual basis. Their academic performance as well as their extracurricular involvement, teacher letters of recommendation and testing scores will be discussed. Counselors may review previous outcomes from career assessments completed in Naviance - "Do What You Are" and "Cluster Finder" - in discussion	School Counselors	Student and parent feedback.

				of possible college majors and programs of interest.		
11	College Night Workshop for students	1	ASCA Mindsets & Behaviors - Components of College and Career Readiness Counseling, SE	Students will participate in a group facilitated by our guidance department to review what questions to ask at a college fair. The group also performs mock conversations to prepare our students for upcoming college fairs to get the most out of the evening.	School Counselors	Student and parent feedback.
11	College Night	1	ASCA Mindsets & Behaviors - Components of College and Career Readiness Counseling, SEL	More than 100 college admissions representatives come to SHS and meet with prospective families. College counselors participate in an admissions panel to address all aspects of the application process. The goal is to provide insight into the process as well as key information about a variety of colleges of interest to students and their parents.	School Counselors and College Admissions Counselors and Representatives	Parents and students provide feedback in the form of evaluation forms. These responses are reviewed and used as a guide for upcoming presentations and workshops.
11	Financial Aid Presentation	1	ASCA Mindsets & Behaviors - Components of College and Career Readiness Counseling	A financial aid representative from a local college describes the process of applying for financial aid in detail and addresses the information required for the FAFSA and CSS profile. The goal is to educate and prepare families applying for financial aid.	School Counselors and College Financial Aid Officer from a local college	Parents and students provide feedback in the form of evaluation forms. These responses are reviewed and used as a guide for upcoming presentations and workshops.

11	College Essay Writing Workshop	1	ASCA Mindsets & Behaviors - Components of College and Career Readiness Counseling, SEL	In the spring, counselors describe the Common Application essay prompts and dos/don'ts for writing a strong college essay with a goal of allowing students to brainstorm their own essays. In the fall, counselors meet with students in small groups to workshop essays.	School Counselors	Student and parent feedback.
11	PSAT Score Report Review Sessions	1	ASCA Mindsets & Behaviors - Components of College and Career Readiness Counseling, SEL	Counselors are available to meet with students to review students score reports and answer any questions they may have about their PSAT scores and any other testing questions they may have.	School Counselors	Student and parent feedback.
11	Special Education College Transition Night	1	ASCA Mindsets & Behaviors - Components of College and Career Readiness Counseling, SEL, CDOS	Students with IEPs and 504 plans and their parents are invited to an evening presentation to learn about the college application process as well as how to receive services once in college.	School Counselors, Special Education Staff, Representative from local college	Parents and students provide feedback in the form of evaluation forms. These responses are reviewed and used as a guide for upcoming presentations and workshops.
11	Junior Planning Guide	1	ASCA Mindsets & Behaviors - Components of College and Career Readiness Counseling, SEL	Students and parents are given an array of resources to learn about the college process. The timeline for the process as well as all of the steps students and parents need to take in researching and applying to schools are outlined.	School Counselors	Student and parent feedback.

11-1 2	ACCES-VR Meetings	2-3	ASCA Mindsets & Behaviors - Components of College and Career Readiness Counseling, SEL, CDOS	Counselors help students to set up meetings with the ACCESS counselor. Counselors facilitate the application process, meetings about how to ensure students receive the services and accommodations they need after high school to transition.	School Counselors	Student and parent feedback.
11	Individual Programming Meetings	1	ASCA Mindsets & Behaviors - Components of College and Career Readiness Counseling, SEL, CDOS	Counselors will meet with their students first in a group setting to discuss the programming process as well as course selections, teacher recommendations and course expectations and requirements. Counselors will also discuss elective options and how to best choose their electives. AP and college level course options will be discussed as well as the benefits and expectations of these courses. Counselors will discuss with students the importance of balance, work ethic and responsibilities. Each student will then meet individually with their counselor to discuss their personal course selections and recommendations.	School Counselors	Student and parent feedback.
