- Thanksgiving feast will be next week. We are adding some new elements to make it more of a special event for families.
- Our Winter Week will be in place of classroom parties this year. Every day, they will have a specific activity to do. Panther Parents are pairing with the PBIS team to create this.
- Share the satisfaction surveys she has received.
- Whitney King talked about the school play. It is a great group of kids this year with a new music director.

Beth Starling shared on the KIND campaign

- KIND Campaign assembly occurred for 3<sup>rd</sup>-5<sup>th</sup> grade girls and they all really loved it and it got the girls to be very reflective.
- They got to come up and share their note to a friend
- They all got little word projects KIND bracelets
- And did a banner to
- The boys saw a video that was in the theme of spiderman but allowed them to see that they may get a lot of different pressures in life and how to help deal with them and it is ok to have feelings.

#### Milestones Data Presentation with Mrs. Zarzour

#### Discussion Items

##### Strategic Plan Activity:

- Mrs. Lemons reviewed the strategic plan categories and our goals for this year

##### Student Survey Data:

- We looked at what the student satisfaction survey looked like for the students to take it and that we developed a script for the teachers to take.

##### Grant Champions Workshop:

- Grant development office came in to present on grant development
- They help to provide support through the Grant Champions
- We are classified as a government agency and not as a nonprofit. But the PTA can be represented as the nonprofit.
- We should create a one-pager of the projects we want to propose. Include the demographics and additional info on the back of it so it is easy to pass out to people so they know what they are gifting to.
- The department also helps with sponsors and partnerships to help fund the items that are not as exciting.
- Reaching out to company foundations to see if they would consider sending money.
- Reach out to the community relations person at companies to see if they would want to be invited as a sponsorship or attend an event and do a donation later on.
- Reach out to the Alpharetta Rotary board.
- Look at local Grant resources on their Fulton page. The grant newsletter comes out once a month. Set a reminder to see it and have someone look through the materials.
- Start to invite local businesses and partnerships to attend events. You can give them an audience to talk to the families and in turn ask them to become a partner
- Dicks Sporting Goods- Sports Matter grant.
- Donors Choose is perfect for getting extra stuff and not for big projects.

- Around the holidays people like to gift extra stuff so encourage staff to get them posted around the end of the year.
- Ms. King and Ms. Lemons will create the one pager for the curtain, Ms. Zarzour and Ms. Dempster will write one for the turf field, and Ms. Calo will write one for the sensory room.
