2024-25 Annual Education Report (AER) Cover Letter

February 14, 2025

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2023-24 educational progress for Centreville Junior/Senior High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Allen Meyer, Jr/Sr High Principal, for assistance.

The AER is available for you to review electronically by visiting the following website [Annual Education Report \(1\)](#), or you may review a copy in the main office at your child's school.

For the 2024-25 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2023-24. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state, had a graduation rate at or below 67%, or failed to exit ATS status in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Centreville Jr/Sr High School was not identified as a targeted school and was not given any of the labels listed above.

A review of test scores in the data outlined below, and a comparison of 2024 results with those of previous years, indicates a continued need to evaluate instruction in the areas of reading and math. We continue to closely monitor the data available to us and have responded by offering after-school tutoring, homework recovery time during lunch, adopting a new 7th and 8th Grade ELA curriculum in 2022-23, and a new 9th grade ELA curriculum in 2023-24.

State law requires that we also report the following additional information:

PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

Centreville Jr/Sr High enrolls students in grades 7 through 12 who are residents of the Centreville Public School District, students in grades 9 through 12 who are residents of Nottawa Community Schools District, or students who are participants in the St. Joseph County Schools of Choice Program.

THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN:

During the 2021-22 school year, our School Improvement Plan was moved to the new MICIP (Michigan Continuous Improvement Process) platform. During the 2023-24 school year, our junior/senior high school leadership team continued to refine and expand on our initial MICIP goal, which is as follows:

- Implement a highly effective Tier 1 instruction model that extends across all content areas to ensure student success.

A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL:

We do not have a specialized school.

CAREER TECHNICAL EDUCATION (CTE):

(CTE) classes are held at six locations throughout the county. Host schools include Three Rivers, Glen Oaks Community College, Sturgis, Constantine, White Pigeon, and Centreville. Centreville hosts three of the programs. Centreville High School students participated in the following CTE programs: Agri-Science, Automotive Technologies, Computer-Aided Design, Computer Coding & Gaming, Construction Trades, CyberSecurity & Networking, Culinary Arts, Engineering, Design and Manufacturing, Graphic Design, Health Sciences, Manufacturing, Marketing, Public Safety, and Welding Technologies. Students are selected for CTE programs based on their career interests as determined by the student's Educational Development Plan (EDP). The educational development plan process begins in junior high and prepares students for a CTE program choice for the junior and/or senior years.

IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION, AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL:

A copy of our core curriculum may be obtained in the administration office. In addition, a curriculum guide is available online and in the Jr/Sr High Office. Our current curriculum includes all of the State of Michigan's Academic Standards, as well as the National Common Core Standards.
