LATE PICK-UP FEES

Your child must be picked up promptly at the end of their camp day (5:30 PM).

Be sure to list a neighbor, relative, or co-worker on your child information form. Having an approved release person will allow you to contact them to pick up your child if you find yourself running late and unable to pick up at the designated time.

Fees will be assessed beginning **at 1 minute past the end of your child's camp day**. We will refer to the C.A.R.E. clock when assessing late fees. Children picked up after the closing times are subject to late pickup charges as follows:

CELL PHONES

Please make your drop off and pick up time A NO CELL PHONE ZONE. Your child has much to share at the beginning and end of the day. We hope you will give your child your undivided attention while listening about their day.

Putting down the phone will also help keep your child safe while walking through the parking lot.

Children will not be allowed to use cell phones or unapproved electronic devices in camp.

LUNCH AND SNACKS

Parents provide a sack lunch daily. (For safety, please do not send glass containers.) Camp C.A.R.E. locations provide refrigeration for lunches for in center days. We are not able to heat or microwave food. Refrigeration is not available on field trip days. On field trip days please send non-perishable food items in a large Ziploc bag labeled with your child's name.

FOOD POLICY/LUNCHES & SNACKS

Please be sure to send a nutritious lunch each day for your child. Please limit sugary items.

Please inform the center staff if your child has any food allergies.

When parents provide food for lunch or snacks, for consumption during the childcare portion of the day, parents must label the snack or lunch container/bag with the child's first and last name, and the date. The rule was established to ensure that each student is eating the snack intended for them, and by labeling the packaging/bag with the date, allows for the monitoring of spoilage.

Each day, please send your child's lunch in a paper or Ziploc bag with their first and last name.

The bag must be dated daily.

PHOTOGRAPHS

There may be occasions throughout the summer when we will take photographs in our programs. These photos may be used in Troy School District publications, general news articles or on our web page. Whenever possible we will notify the parents of our intent to publish their child's photograph.

MEDICATION

It is the Troy School District policy that all medications (prescription and over the counter) dispensed at camp require an authorization from the physician. Parents need to ask their physician to complete an Authorization for Medication Form and we will dispense the medication to your child. All medications must be in the original packaging with the pharmacy or packaging label intact. Medications must be labeled with the child's name written on the box/or directly on the medication container if opened. For example, if your child has an EpiPen, you must write their name in permanent marker on the EpiPen injector. Medications must be presented to the childcare supervisor. Medications may not be in the possession of children. These can cause serious health hazards if misused. Please keep the childcare staff informed of any medical concerns your child might have while in our care.

EXCLUSION DUE TO ILLNESS

A child exhibiting or experiencing any of the following symptoms may not attend child C.A.R.E. These symptoms include: vomiting, diarrhea, undiagnosed rash, green or yellow discharge from nose, an inflamed throat, redness or discharge from the eyes, or an elevated temperature. A child may also be excluded if he/she exhibits any other conditions that may be considered contagious to others. A child must be excluded until he/she is fever free for 24 hours without the use of medication, or unless the doctor provides a written note. Please keep the childcare staff informed of any medical concerns your child might have while in our care.

SERIOUS ILLNESS, INJURY, ACCIDENT, or INCIDENT

If a child experiences a serious illness, injury, accident, or incident, while in childcare, the parent will be notified first either by phone, email, or text. Upon contact with the parent, the parent will decide if they will come and transport the student to a hospital or home, or if the child will be transported immediately to a hospital where the parent will meet the ambulance. If the illness, injury, or accident is life-threatening 911 will be called and the child will be transported to the nearest hospital. Continuous attempts will be made to contact the parent or guardian. If the parent or guardian is not reached, an emergency contact person will be contacted. If a child is transported to the hospital, a staff member will go with the child to the hospital and remain with the child until the parent/guardian arrives.

If the parent decides to transport the child, and while waiting for the parent to arrive, the child will be isolated from other children if there is concern for a contagious illness. The child will be comforted and monitored by staff until the parent, or an authorized release person arrives.

SUNSCREEN

If your child will require sunscreen while in our care, please be sure to use a long lasting, non-stinging, waterproof sunscreen whenever possible. Also, please advise staff if your child tends to have sensitive skin. Staff can then watch for any allergic reaction that might occur. The sunscreen may be applied at home prior to coming to childcare.

LICENSING NOTEBOOK NOTIFICATION POLICY:

Expected Behavior, Discipline Process, Program Dismissal Policy

The Camp C.A.R.E. Program is a school program offered at two of the Troy School District's elementary schools. Camp C.A.R.E. is designed to provide a safe, nurturing, engaging and fun environment for students. The Camp C.A.R.E. environment differs from the school day environment in the following ways: Students going into grades 1 through 5 are combined, there is an 18 to 1 child to childcare worker ratio, and Camp C.A.R.E. is less structured than the classroom setting. While most children thrive in the Camp C.A.R.E. Program, there are some children that find the environment over stimulating and distressing and thus may not be able to adhere to the Camp C.A.R.E. Program's Expected Behaviors. To ensure a safe environment, children are expected to abide by the Expected Behaviors below.

Expected Behaviors:

- Respect the rights and property of others
- Act in a courteous and cooperative manner
- Use acceptable and appropriate language
- Be responsible for your actions
- Follow C.A.R.E. giver rules

Our goal is for The C.A.R.E. Staff to use positive methods of discipline to encourage self-control, self-direction, and cooperation. Staff talks with students and uses redirection and logical consequences to correct inappropriate behaviors. If inappropriate behaviors cannot be corrected, it may be necessary for the Discipline Process to be implemented. See pages 10-13 to understand the process.

Discipline Process Definition of Terms:

C.A.R.E. Team: may include the C.A.R.E. Center Supervisor(s), Community Education and Enrichment Supervisor, Community Education and Enrichment Coordinator, Director of Athletics, Continuing Education and Enrichment (C.A.R.E. Director).

Necessary School Support Staff: may include, but is not limited to, the school Principal, representative(s) from Special Education and any other person who may assist the C.A.R.E. Team with making decisions related to a student.

Parent: mother, father, or legal guardian of a student

LEVEL I INAPPROPRIATE BEHAVIOR(S) DEFINITION:

Speaking disrespectfully to C.A.R.E. staff, refusing to follow directions, using inappropriate language.

A follow-up email with incident report will be sent as an attachment to parent. Supervisor will also cc Community Education and Enrichment Supervisor. A temporary suspension from the C.A.R.E. Program of 2 Days will occur.

Fifth Incident: Upon returning to C.A.R.E., if there is another Level I behavior occurrence, this will result in the child being dismissed from the C.A.R.E. Program for the remainder of the school year and summer following.

Readmittance Consideration

The Community Education and Enrichment Supervisor and C.A.R.E. Team will meet to determine if C.A.R.E. provides the right environment to support the child. If the Readmittance Team determines it is in the child's best interest, the child has the capacity to function in the C.A.R.E. Program, and the parents understand that their child's readmittance and retention in C.A.R.E. will be based on the child's ability to function properly in C.A.R.E., the child will be readmitted conditionally.

First Incident After Readmittance: If the same or similar Level I behavior occurs once the child is readmitted to C.A.R.E., parent is notified by supervisor verbally and given the incident report at the following C.A.R.E. session. A follow-up email with incident report will be sent as an attachment to parent. Supervisor will also cc Community Education and Enrichment Supervisor. A temporary suspension from the C.A.R.E. Program of 2 Days will occur.

Return After 2 Day Suspension of Readmitted Student: Before returning to the C.A.R.E. Program following a two-day suspension, the C.A.R.E. Team will discuss if C.A.R.E. provides the right environment to support the student's continuation in the program. If the Team determines that the student can return to C.A.R.E. the student will be admitted conditionally if another Level I issue occurs after suspension the student will be dismissed from the program for a calendar year.

LEVEL II INAPPROPRIATE BEHAVIORS DEFINITION:

Physical harm to another child, staff member, self-harm, destruction of property, leaving the C.A.R.E. program without permission, or any verbal or physical behavior that can be considered bullying. Should the behavior be considered severe, it may be necessary to move directly to the Third Incident protocol or place the child's participation in CARE on hold to allow time for further investigation regarding concerning behaviors.

A follow-up email with incident report will be sent as an attachment to parent. Supervisor will also cc Community Education and Enrichment Supervisor. Care staff will, if possible, implement any reasonable strategies to promote positive behavior in the child.

Third Incident: Parent is notified by supervisor verbally and given the incident report at the following C.A.R.E. session. A follow-up email with incident report will be sent as an attachment to parent. Supervisor will also cc Community Education and Enrichment Supervisor. A temporary suspension from the C.A.R.E. Program of 2 Days will occur.

Fourth Incident: Upon returning to C.A.R.E. if there is another Level II behavior occurrence, the child will be dismissed from the C.A.R.E. Program for a calendar year.

Readmittance Consideration

The Community Education and Enrichment Supervisor and C.A.R.E. Team will meet to determine if C.A.R.E. provides the right environment to support the child.

If the Readmittance Team determines it is for the child's best interest and the child can function properly in the C.A.R.E. Program, and the parents understand that their child's readmittance and retention in C.A.R.E. will be based on the child's ability to function properly in the C.A.R.E. Program, the child will be readmitted conditionally. Should another Level II incident occur within the first three months of readmittance, it will be treated as a Fourth Incident and dismissal protocol will be followed. If a Level II incident occurs after three months of readmittance, the C.A.R.E. Team will meet and determine if this is an isolated incident or if a pattern has developed that may necessitate dismissal from the program.
