

2/7/25

Dear Wyoming Families,

We had an exciting week at Wyoming High School. Everyone was focused and spirited as they competed in extracurricular activities and accomplished breakthroughs in the classroom! We have such amazing students and staff here at WHS! As a building, we keep pushing forward and growing as we seize every opportunity to improve. We also enjoy celebrating our students' many accomplishments. For example, congratulations to our [JustWrite Team](#) for their success at the 2025 regional competition. We recently learned that several of our students will be moving on to compete at the state competition towards the end of May! It's always great to see our students' successful application of the skills they learn in the classroom. We wish them all the very best of luck moving forward!

Regarding scheduling, students received their course optioning sheets for the 2025-2026 school year during Flex on Thursday. Here is a link to the [Wyoming High School - Scheduling Information for 2025-2026](#). On Wednesday, February 12th our high school team will travel to the middle school to talk with current 8th graders about scheduling for next year. We will also meet with the families of current 8th graders at 6 p.m. on Wednesday, February 12th to review the scheduling process. Please reach out if you have any questions or if there is anything we can do to support you and your student as you consider which courses to select. Thank you and we wish everyone a great weekend!

Health and Wellness:

Dear Parents/Guardians,

With cold and flu season upon us, it's a good time to review Wyoming School District's illness policy to help maintain a safe and healthy school environment.

If your child has been ill with a fever, vomiting, or diarrhea, please keep them home for at least **24 hours after their last fever or gastrointestinal symptoms**. Your child must be fever-free for **at least 24 hours without the use of fever-reducing medications** such as acetaminophen (Tylenol) or ibuprofen (Advil, Motrin). This allows them time to fully recover and return to school ready for a productive day.

The **24-hour rule also applies to antibiotic treatment**. If your child has been prescribed antibiotics for conditions such as strep throat or conjunctivitis ("pink eye"), they must remain home for **at least 24 hours after their first dose** before returning to school.

Your cooperation is essential in keeping our school community healthy. Thank you for your support in helping us create a safe learning environment for all students.

Sincerely,

Wyoming School District Health Services
