What is RaiseRight?

RaiseRight fundraising is a no-selling program that enables families to earn money for EAS school fees. Think of RaiseRight as another way to pay for everyday purchases using gift cards (physical or electronic cards) in place of cash, checks, or credit cards.

You purchase gift cards from RaiseRight at face value. RaiseRight gives a percentage discount on each card, which is applied to your family's PTO account. For example, you purchase a \$100 Target gift card for \$100. If the discount for Target is 5% on the day you order, RaiseRight sends the PTO \$5, which is added to your family's balance in the PTO bank account. You can use that \$5 for school expenses anytime by emailing the Coordinator at scrip@easpto.org.

RaiseRight offers more than 700 of the country's biggest retailers, including grocery, department stores, gas stations, restaurants, hotels, home improvement, and more. Just by using RaiseRight gift cards to pay for your normal weekly purchases, you could earn \$500 or more per year. Put your shopping dollars to work!
