Don't forget to update your emergency information for this year! Student registration is open for the 2024-2025 school year for preschool through 12th grade. Please click this link <https://bit.ly/K-12Registration> to register your student as a new or returning student (grades K-12). This process is required to keep emergency information up-to-date for every student.

Lunch Money:

The WCPS district is proud to announce their participation in the Community Eligibility Provision (C.E.P.) program again this year, which allows ALL WCPS students to enjoy a FREE breakfast and FREE lunch each school day for the 2024-25 school year!

However, if your child wants extra helpings or a la carte items, you can now make online payments to your student's school meal account. Use the program, MySchoolBucks, to create a profile. Download the app or visit <http://www.myschoolsbucks.com> to create your account and add your students.

Student Checkout/Messages for Students/Bus Notes:

Parents needing to send messages to their son/daughter should E-MAIL the office staff so the message can be delivered to the student. Send the message for your student to: swhs@warren.kyschools.us

In the subject heading, please reference the appropriate title "student checkout, student message, or bus notes for (your son/daughter, including his/her last name)". Type the message for your son/daughter in the body. Once messages are received, they will be delivered to students during the next locker break. It is the parent/guardian responsibility to verify the student checkout note/bus note by calling the school at 270-467-7500.

Dual Credit Students:

Remember to sign in when you arrive and sign out before you leave with the QR code in the front lobby.

Truancy Law:

See this [link](#) for new attendance communication.

FLU SHOT CLINIC: Thursday, October 31, 2024

Parents/Guardians:

The Healthy Kids Clinic will be having a **Flu Vaccination Clinic** during a school day and will provide flu shots to those students with consents on file. These consents were passed out during homeroom. They can turn in completed forms to their SWORD teacher or the front office. If you wish for your student to have the flu shot given at school, please have your student return to school as soon as possible. This is not mandatory, flu shots are optional.

Internet Access at home:

If your student(s) does not have access to the internet at home or have access to a location to receive internet services strong enough to watch a YouTube video, please fill out this quick form [here](#) so that we can have it on record.

To whom it may concern,
I am writing to solicit sponsorship for our 2024-2025 basketball season here at South Warren High School. Without community assistance, we wouldn't be able to run a quality basketball program for our fans to enjoy.

We will be using our video board to display season sponsors which will scroll throughout the entirety of our season. This includes varsity, junior varsity, and freshmen games. Your business logo or video will be scrolling on our video board, in 10 second increments. We will be announcing our season sponsors throughout games as well. If you would like to send me a brief write-up or advertisement to be announced, don't hesitate to contact me. Below are the packages we will be offering.

Black Package \$600 - includes the scrolling ad, PA announcement at halftime of games and includes a game pass to HOME basketball games

Silver Package \$300 - includes being listed on the South Basketball Supporters Group scrolling page and includes a game pass to HOME basketball games

****Donations of \$150** - includes a game pass to HOME basketball games

I do not wish to do a video board sponsorship, but will donate \$_____ to the South Warren Basketball program.

I again want to thank you in advance for your business and your kindness. We hope to have an exciting season and a wonderful partnership for years to come. To submit your sponsorship check, you can address to the following:

South Warren High School
Boys Basketball Booster Club
c/o Kevin Branstetter
8140 Nashville Road
Bowling Green, KY 42101

Checks should be made to: SWHS Boys Basketball Boosters.
Please email logo to: BranstetterKevin@johndeere.com

Thank you for supporting the South Boys Basketball program!!

Sincerely,
Carlos Quarles

Healthy Kids Clinic Registration Form

Please read before filling out the health form....

WCPS partners with Cumberland Family Medical Center to have a full service clinic and a nurse in each school. Here are the options listed on the back of the form and what they mean. I must have this form returned to the nurse so I have consent to see your child at school (even to take a temperature.) It will also give me your child's pertinent health history.

SCHOOL NURSE SERVICES:

This gives me permission to see your child in the Nurse's office when they don't feel good, check their vital signs and see if they need any medications. All of the medications are free and I will attempt to call you for consent before administering any medication. Draw a line through any medication you do not want me to give.

NURSE PRACTITIONER SERVICES:

We now offer SICK VISITS with our Nurse Practitioner via telehealth or in person visits. Your insurance will be billed just as if you are going to a doctor's office or urgent care. This is a very convenient option for parents that your child can be seen at school and their medications (if needed) can be called in to your preferred pharmacy by the time you pick up your child from school or if they are seen by the APRN and the child is not contagious they may remain at school. We have all the tests available as in any doctor's office (flu, strep, covid, etc.) I will call you for consent before any visit with the nurse practitioner.

WELL CHILD EXAM:

The next option on the form is a Well Child Visit. This is the yearly "check up" visit. If you do not have a pediatrician, have transportation issues, or it's not convenient for you to leave work to take your child, we can do their well child exam, sports physical or immunizations at school during the school day. Parents are welcome to come for this visit as well. Please only check this service if you want your child to have their well child exam at school. Most insurance companies will cover one well child exam per year.

If you have any questions about this form or any of our services, please feel free to reach out to me. I look forward to taking care of your child this school year!

To See Nurse in Health Room

If your student is sick and would like to see the school nurse, they need to ask their teacher to put them on the sick list. The teacher will then fill out a Google form that puts the student's name on the Nurse List to be seen.

The list will be triaged as the most emergent to the least. Student's will be called from class when the nurse has availability. The nurse will see student's on the sick list between emergencies and student's with standing appointments.

There could be days not every student on the sick list will be seen. It is the nurse's goal to see everyone on the list, but some days will be much busier than others. The nurse will attempt to contact those students waiting to be seen and let them know if they will be unable to be seen that day.

Nurse will stop looking at the sick list around 1:50pm. Policy states nurses can not give over the counter medication 30 minutes before school lets out. So no OTC medication will be given after 1:55pm.

Looking forward to having a great school year.
