Lunch Money:

The WCPS district is proud to announce their participation in the Community Eligibility Provision (C.E.P.) program again this year, which allows ALL WCPS students to enjoy a FREE breakfast and FREE lunch each school day for the 2024-25 school year!

However, if your child wants extra helpings or a la carte items, you can now make online payments to your student's school meal account. **Use the program, MySchoolBucks, to create a profile.** Download the app or visit <http://www.myschoolsbucks.com> to create your account and add your students.

Student Checkout/Messages for Students/Bus Notes:

Parents needing to send messages to their son/daughter should E-MAIL the office staff so the message can be delivered to the student. Send the message for your student to: swhs@warren.kyschools.us

In the subject heading, please reference the appropriate title "student checkout, student message, or bus notes for (your son/daughter, including his/her last name)". Type the message for your son/daughter in the body. Once messages are received, they will be delivered to students during the next locker break. It is the parent/guardian responsibility to verify the student checkout note/bus note by calling the school at 270-467-7500.

Dual Credit Students:

Remember to sign in when you arrive and sign out before you leave with the QR code in the front lobby.

December 2024

Questions to Ask Everyday

What are 3 things for which you are thankful today?

What did you learn today?

How did you make someone smile today?

December is the month that we want to focus on self-care:

December is the month when we all need to set aside some time for self-care. Some self-care ideas are journaling, taking ten minutes to yourself, read a book, light a candle, learn a new skill, have a pajama day, and spend time with loved ones. Take time this month for self-care!

One Pot Cheesy Spaghetti

- One small onion, diced
- One pound ground turkey
- 1 tablespoon of garlic powder
- 2 Teaspoons of chili powder
- 2 teaspoons of dried oregano
- 1 (10 ounce) can diced tomatoes with green chilies, do not drain (optional)
- 1 (15 ounce) can diced tomatoes, do not drain
- 2 cups of water
- 8 ounces whole wheat spaghetti, uncooked and broken in half
- 3/4 cup of shredded cheese

1. In a large pot, add onion and ground turkey. Cook on medium-high heat until turkey has browned.
2. Add garlic powder, chili powder, and oregano. Stir to mix.
3. Add both cans of diced tomatoes, water, and spaghetti. Bring mixture to a boil, stir occasionally to make sure that spaghetti is submerged. Reduce heat to a simmer and cover.
4. Cook for about 15 minutes or until spaghetti is done, stirring occasionally.
5. Add cheese, turn off the heat, and cover with a lid until cheese melts (about 2-4 minutes)

Conversation Starters

Who is the nicest person you know?

What was the best present you've been given?

Describe yourself in three words.

Winter Family Activity: Indoor Camping

When outdoor camping isn't an option, bring camping indoors. This can be the perfect experience for the whole family.

- Build a blanket fort
- Make indoor s'mores
- Add ambiance with nature sounds
- Watch a winter movie
- Make shadow puppets

Developmental Relationships

Developmental relationships are the roots of thriving and resilience for young people, regardless of their background or circumstances. Through these relationships, young people discover who they are, cultivate abilities to shape their own lives, and learn how to engage with and contribute to the world around them.

- **Let me Lead** - Create opportunities for me to take action and lead.

DTP...On The Go!

December may be the most wonderful time of the year for family bonding. Families often find themselves traveling more in a car during this time or spending more time indoors due to the unpredictable weather. Regardless, if families are traveling in the car or spending time indoors there are many creative bonding activities that families can incorporate. The song association game is a great opportunity for families to come up with a list of songs by working in teams of two or three. The game starts out with the first speaker saying one holiday themed word and each team will try to identify as many holiday songs as possible that include the identified word. The team who identifies the most songs wins the rounds. When creating the lists of songs, teams will need to be prepared to utilize their vocal skills.

El Proyecto de la hora de la cena

Un programa para animar a las familias a que coman juntas, se diviertan y se sientan allegados a través de la conversación.

Diciembre 2024

Preguntas a hacer todos los días

¿Cuáles son 3 cosas por las que te sientes agradecido hoy?

¿Qué aprendiste hoy?

¿Cómo hiciste que alguien sonriera en el día de hoy?

- Una cebolla pequeña, cortada en cubitos
- Una libra de pavo molido
- 1 cucharada de ajo en polvo
- 2 cucharaditas de chile en polvo
- 2 cucharaditas de orégano seco
- 1 lata (10 onzas) de tomates cortados en cubitos con chiles verdes, sin escurrir (opcional)
- 1 lata (15 onzas) de tomates cortados en cubitos, sin escurrir
- 2 tazas de agua
- 8 onzas de espaguetis integrales, crudos y partidos por la mitad
- 3/4 taza de queso rallado

Diciembre es el mes en el que queremos centrarnos en el autocuidado:

Diciembre es el mes en el que todos necesitamos reservar algún tiempo para el cuidado personal. Algunas ideas de cuidado personal son: tener un diario, tomarse diez minutos para usted mismo, leer un libro, encender una vela, aprender una nueva habilidad, pasar un día en pijama, y pasar tiempo con sus seres queridos. ¡Tómese un tiempo este mes para el cuidado personal!

Temas para iniciar conversación

¿Quién es la persona más agradable que conoces?

¿Cuál ha sido el mejor regalo que te han hecho?

Describe a ti mismo en tres palabras.

Una olla de espaguetis con queso

1. En una olla grande, agregue la cebolla y el pavo molido. Cocine a fuego mediano-alto hasta que el pavo se dore.
2. Agregue el ajo en polvo, el chile en polvo y el orégano. Revuélvala para mezclar.
3. Agregue ambas latas de tomates cortados en cubitos, agua y espaguetis. Hierva la mezcla, revuélvala ocasionalmente para asegurarse de que los espaguetis queden sumergidos. Reduzca la intensidad a fuego lento y tape la olla.
4. Cocínelo durante unos 15 minutos o hasta que los espaguetis estén cocidos, revolviendo ocasionalmente.
5. Agregue el queso, apague el fuego y tápele hasta que el queso se derrita (aproximadamente 2 a 4 minutos).

Healthy Kids Clinic News

Healthy Kids Clinic Registration Form

Please read before filling out the health form....

WCPS partners with Cumberland Family Medical Center to have a full service clinic and a nurse in each school. Here are the options listed on the back of the form and what they mean. I must have this form returned to the nurse so I have consent to see your child at school (even to take a temperature.) It will also give me your child's pertinent health history.

SCHOOL NURSE SERVICES:

This gives me permission to see your child in the Nurse's office when they don't feel good, check their vital signs and see if they need any medications. All of the medications are free and I will attempt to call you for consent before administering any medication. Draw a line through any medication you do not want me to give.

NURSE PRACTITIONER SERVICES:

We now offer SICK VISITS with our Nurse Practitioner via telehealth or in person visits. Your insurance will be billed just as if you are going to a doctor's office or urgent care. This is a very convenient option for parents that your child can be seen at school and their medications (if needed) can be called in to your preferred pharmacy by the time you pick up your child from school or if they are seen by the APRN and the child is not contagious they may remain at school. We have all the tests available as in any doctor's office (flu, strep, covid, etc.) I will call you for consent before any visit with the nurse practitioner.

WELL CHILD EXAM:

The next option on the form is a Well Child Visit. This is the yearly "check up" visit. If you do not have a pediatrician, have transportation issues, or it's not convenient for you to leave work to take your child, we can do their well child exam, sports physical or immunizations at school during the school day. Parents are welcome to come for this visit as well. Please only check this service if you want your child to have their well child exam at school. Most insurance companies will cover one well child exam per year.

If you have any questions about this form or any of our services, please feel free to reach out to me. I look forward to taking care of your child this school year!

To See Nurse in Health Room

If your student is sick and would like to see the school nurse, they need to ask their teacher to put them on the sick list. The teacher will then fill out a Google form that puts the student's name on the Nurse List to be seen.

The list will be triaged as the most emergent to the least. Student's will be called from class when the nurse has availability. The nurse will see student's on the sick list between emergencies and student's with standing appointments.

There could be days not every student on the sick list will be seen. It is the nurse's goal to see everyone on the list, but some days will be much busier than others. The nurse will attempt to contact those students waiting to be seen and let them know if they will be unable to be seen that day.

Nurse will stop looking at the sick list around 1:50pm. Policy states nurses can not give over the counter medication 30 minutes before school lets out. So no OTC medication will be given after 1:55pm.

Looking forward to having a great school year.
