Turkey Wraps

- 8-inch whole-wheat flour tortilla
- 1 tablespoon low-fat ranch salad dressing
- 3 thin slices turkey breast
- 2 tablespoons assorted diced vegetables

Servings: 2 Serving Size: 1/2 wrap

Conversation Starters

If you could start a new tradition for gatherings, what would it be?

Is there a dish that always reminds you of home or a loved one?

If you could share a meal with anyone from history, who would it be and why?

Questions to Ask Everyday

What was your favorite thing you learned today?

What was the bravest thing you did today?

Did anything really funny happen today?

November 13 is World Kindness Day. Celebrate by doing a random act of kindness for someone.

Si pudieras iniciar una nueva tradición de reuniones, ¿cuál sería?

¿Hay algún plato que siempre te recuerde a un ser querido o tu casa?

Si pudieras compartir una comida con algún personaje histórico, ¿quién sería y por qué?

El 13 de noviembre es el día mundial de la bondad.

Celebre haciendo un acto de bondad hacia alguien al azar.

Preguntas a hacer todos los días

¿De las cosas que aprendiste hoy qué fue lo que más te gustó?

¿Qué fue lo más valiente que hiciste hoy?

Search Institute Developmental Relationships Framework

Developmental relationships are the roots of thriving and resilience for young people, regardless of their background or circumstances. Through these relationships, young people discover who they are, cultivate abilities to shape their own lives, and learn how to engage with and contribute to the world around them.

Expand Possibilities

Connect me with people and places to broaden my world.

- **Inspire** – Inspire me to see possibilities for my future.
- **Broaden Horizons** – Expose me to new ideas, experiences, and places.
- **Connect** – Introduce me to people who can help me grow.

Cardboard Tube Snakes

- Scissors
- Toothpick
- 6 googly eyes
- White craft glue
- 3 cardboard tubes
- Acrylic craft paint in colors of your choice

1. Paint the outside of your cardboard tube.
2. Let it dry and then cut your tube around into a spiral coil.
3. You can wrap the board around a paintbrush to hold its shape while you keep painting or add designs to your snake.
4. Add the googly eyes and mouth and your snake is good to go!

DTP On The Go!

November is a great month to self-reflect on things you are grateful for. Creating a family blessing box for the month of November is a great way for family members to share things they are grateful for each day of the month. All family members can work together to create and design their individual or family blessing box. To make it more unique, families can use color paper, stickers, paint, or markers. Beside the Blessing Box, place a stack of paper or post-it notes for family members to write on and then place their blessings in the box. Traveling in a car is a great environment for caregivers to share and encourage youth to identify and explore things they are grateful for. Thanksgiving Dinner is a great opportunity for families to open the Blessing Box and share their individual or family blessings that were added to their individual or family blessing box.

Marco de relaciones del desarrollo del Search Institute

Las relaciones de desarrollo son las raíces para éxito y la capacidad de adaptación de los jóvenes, independientemente de sus antecedentes o circunstancias. A través de estas relaciones, los jóvenes descubren quiénes son, cultivan habilidades para moldear sus propias vidas y aprenden cómo involucrarse y contribuir con el mundo que los rodea.

Ampliar las posibilidades

Ponme en contacto con personas y lugares que expandan mi mundo.

- **Inspirar** – Inspírame a ver posibilidades para mi futuro.
- **Expandir los horizontes** – Exponerme a nuevas ideas, experiencias y lugares.
- **Conectar** – Presentame personas que puedan ayudarme a crecer.

Serpientes de tubo de cartón

- Tijeras
- Palillo de dientes
- 6 ojos saltones
- Pegamento blanco para manualidades
- 3 tubos de cartón
- Pintura acrílica con los colores que prefiera

1. Pinte el exterior del tubo de cartón.
2. Déjelo secar y luego corte el tubo en forma de espiral.
3. Puede enroscar el tubo de cartón en un pincel para que mantenga su forma mientras usted sigue pintando o agregando diseños a su serpiente.
4. ¡Pegue los ojos saltones y agregue la boca y su serpiente estará lista!

¡DTP sobre la marcha!

Noviembre es un gran mes para reflexionar sobre las cosas por las que estamos agradecidos. Una excelente manera para que los miembros de la familia compartan las cosas por las que están agradecidos cada día del mes de noviembre sería creando una caja de bendiciones familiares.

Todos los miembros de la familia pueden trabajar juntos para crear y diseñar una caja de bendiciones individual o familiar. Para que las cajas sean más únicas, las familias pueden usar papel de colores, pegatinas, pintura o marcadores. Al lado de la Caja de Bendiciones, coloque suficiente cantidad de papel o notas adhesivas para que los miembros de la familia escriban y coloquen sus bendiciones en la caja. Cuando se viaja en el automóvil se crea un entorno excelente para que los cuidadores compartan y alienten a los jóvenes a identificar y explorar cosas por las que están agradecidos. La Cena de Acción de Gracias es una gran oportunidad para que las familias abran la Caja de Bendiciones y compartan las bendiciones individuales o familiares que se agregaron a la caja de bendiciones individual o familiar.

Healthy Kids Clinic News

Healthy Kids Clinic Registration Form

Please read before filling out the health form....

WCPS partners with Cumberland Family Medical Center to have a full service clinic and a nurse in each school. Here are the options listed on the back of the form and what they mean. I must have this form returned to the nurse so I have consent to see your child at school (even to take a temperature.) It will also give me your child's pertinent health history.

SCHOOL NURSE SERVICES:

This gives me permission to see your child in the Nurse's office when they don't feel good, check their vital signs and see if they need any medications. All of the medications are free and I will attempt to call you for consent before administering any medication. Draw a line through any medication you do not want me to give.

NURSE PRACTITIONER SERVICES:

We now offer SICK VISITS with our Nurse Practitioner via telehealth or in person visits. Your insurance will be billed just as if you are going to a doctor's office or urgent care. This is a very convenient option for parents that your child can be seen at school and their medications (if needed) can be called in to your preferred pharmacy by the time you pick up your child from school or if they are seen by the APRN and the child is not contagious they may remain at school. We have all the tests available as in any doctor's office (flu, strep, covid, etc.) I will call you for consent before any visit with the nurse practitioner.

WELL CHILD EXAM:

The next option on the form is a Well Child Visit. This is the yearly "check up" visit. If you do not have a pediatrician, have transportation issues, or it's not convenient for you to leave work to take your child, we can do their well child exam, sports physical or immunizations at school during the school day. Parents are welcome to come for this visit as well. Please only check this service if you want your child to have their well child exam at school. Most insurance companies will cover one well child exam per year.

If you have any questions about this form or any of our services, please feel free to reach out to me. I look forward to taking care of your child this school year!

To See Nurse in Health Room

If your student is sick and would like to see the school nurse, they need to ask their teacher to put them on the sick list. The teacher will then fill out a Google form that puts the student's name on the Nurse List to be seen.

The list will be triaged as the most emergent to the least. Student's will be called from class when the nurse has availability. The nurse will see student's on the sick list between emergencies and student's with standing appointments.

There could be days not every student on the sick list will be seen. It is the nurse's goal to see everyone on the list, but some days will be much busier than others. The nurse will attempt to contact those students waiting to be seen and let them know if they will be unable to be seen that day.

Nurse will stop looking at the sick list around 1:50pm. Policy states nurses can not give over the counter medication 30 minutes before school lets out. So no OTC medication will be given after 1:55pm.

Looking forward to having a great school year.
