

D11 Board of Education 2024–2025 Committee Vision & Charges

District 11 Committee Vision

Our vision is a thriving school district where internal and community committees are collaborative engines for achieving goals in District 11 set by the BOE and Superintendent.

Mill Levy Override Oversight Committee Charges

1. General oversight of the spending of revenues received from the 2000 and 2017 mill levy override property tax levy.
2. Review the independent consultant's report regarding the Comprehensive Performance Plan, also known as the triennial review.
3. Review the effectiveness of PIP designations to monitor accountability to strategy and impact of funding on student outcomes. Provide recommendations for amendments, if warranted, to meet District goals.

Note: This committee partners with the District Accountability Committee (DAC) and its budget subcommittee as needed.
