

SCHOOL PLEDGE

Right now, today, this very
moment, I am capable of giving
myself,
the gift of absolute self-assurance,
self-belief, and powerful non-stop confidence in myself.

“ TO THROUGH AND BEYOND COLLEGE ”

MESSAGE FROM PRINCIPAL DUNGEY

Dear Parents,

Quarter 2 is well under way. It's time for a quarter checkup on your child's attendance. Researchers have looked at what happened when students missed as few as one day every two weeks. Here's what they found: School absences add up. Kids who aren't in school can't learn what's being taught. This includes late arrivals and early pickups. Missing school becomes a habit. Children who miss a lot of school in kindergarten are still absent frequently in fifth grade.

There is a “clear and consistent relationship” between early attendance and later achievement. Kids who come to school in the early grades are still doing well in middle and high school.

How many days of school has your child missed? It's not too late to get back on track So, he or she can have a successful school year—and school career.

Principal Dungey
