myself,
the gift of absolute self-assurance,
self-belief, and powerful non-stop confidence in myself.

Families, Teachers are here to teach and not control children. We will continue to help support managing students, but consequences will ramp up into 2 nd semester if your student keeps having behavior challenges. Following will occur parent meetings, afterschool and lunch detention suspensions, and parent support. Please help your student manage well on managing their behavior in school and reduce classroom disruption. Let's work together!

On May 17, 1954, U.S. Supreme Court Justice Earl Warren delivered the unanimous ruling in the landmark civil rights case *Brown v. Board of Education of Topeka, Kansas*. State-sanctioned segregation of public schools was a violation of the 14th amendment and was therefore unconstitutional. This historic decision marked the end of the "separate but equal" precedent set by the Supreme Court nearly 60 years earlier in [Plessy v. Ferguson](#) and served as a catalyst for the expanding civil rights movement during the decade of the 1950s.
