- Section 2.
- a. Any employee of the Plymouth-Canton Board of Education covered by this Agreement who is a member of the National Guard or any reserve component of the Armed Forces of the United States will be entitled to a leave of absence without loss of time, vacation or sick or seniority time during which he/she is engaged in the performance of official duty or training in this State, or in the United States under competent orders. While on such leave he/she shall be paid an amount which when combined with his/her military pay would equal his/her regular salary not to exceed a total of ten (10) working days in any one calendar year.
 - b. To receive payment of salary, an employee must, prior to his/her leave, file with the Personnel Department a copy of official orders and upon return a certification from his/her commanding officer of performance of duty and a statement of service earnings.
 - c. The reinstatement rights of an employee who enters the military service of the United States by reason of an Act or law enacted by the Congress of the United States or who may voluntarily enlist during the effective period of such law, shall be determined in accordance with the Provisions of the law granting such rights.
- Section 3. The Union shall be granted the use of ten (10) Union days per year for its use for attendance at the Representative Assemblies, conferences, conventions, workshops, and other functions mutually agreed to between the Union and the Employer.
- Section 4. Seniority shall accumulate during all leaves of absence. At the end of a leave of absence of no longer than six months the employee will return to his/her former job and at his/her former rate of pay. For leaves longer than six months but less than one year, the employee will be returned to the first available position within his/her classification and shift or displace the employee with the least seniority within that classification and shift. Displaced employees will bump into the next lower classification utilizing the same procedure. The Employer reserves the right to fill the vacancy, for up to the six months the position is being held, with a substitute who will not be considered a member of the bargaining unit in accordance with Article XXV Section 3 (b). Employees have the option to pay hospitalization premiums or to terminate coverage during any leaves.
- Section 5. Notwithstanding other provisions of this Agreement any employee elected or appointed as an employee of the Union shall be granted a leave of absence without pay for the term of the election or appointment of his/her office or any extension thereof.
- Section 6. A seniority employee who, because of illness or accident which is non-compensable under the Michigan Workers' Compensation Law, if physically unable to report to work, shall be given a leave of absence without pay of benefits or loss of seniority for the

duration of such disability; but not to exceed the length of his/her seniority or two years, whichever is the least. Applications for leave must be submitted one (1) week prior to the exhaustion of the employee's sick bank. Return to work shall be conditional upon a medical or osteopathic doctor's written notice that the employee is capable of performing his/her regular work assignment.

- Section 7. Leave of absence without pay or benefits or loss of seniority shall be granted seniority employees for reasonable periods not to exceed the length of seniority or one (1) year of time whichever is the least for physical or mental illness, in the immediate family which includes husband, wife, children or parents living in the same house, provided the employee properly notifies the Board of the necessity and provided further that he/she supplies the Board with a certificate as often as requested from the medical or osteopathic doctor of the necessity for such absence and for the continuation of such absence when requested by the Board.
- Section 8. The Board then may request periodic verification of the health of the employee in relation to the performance of the employee's normal job duties. When the medical verification of the physician on a form provided by the Board will not allow the employee to continue her normal job function because of such pregnancy, the employee shall then be granted a leave of absence for the duration of the pregnancy leave with all job and recall rights, and/or the employee may use all or any portion of her leave to recover from her own illness or disability, which shall include, in part, all disabilities caused by or contributed to by pregnancy, miscarriage, abortion, childbirth and recovery.
