

# Expiration Dates for COVID-19 Test Kits Extended

Jan 27 2022

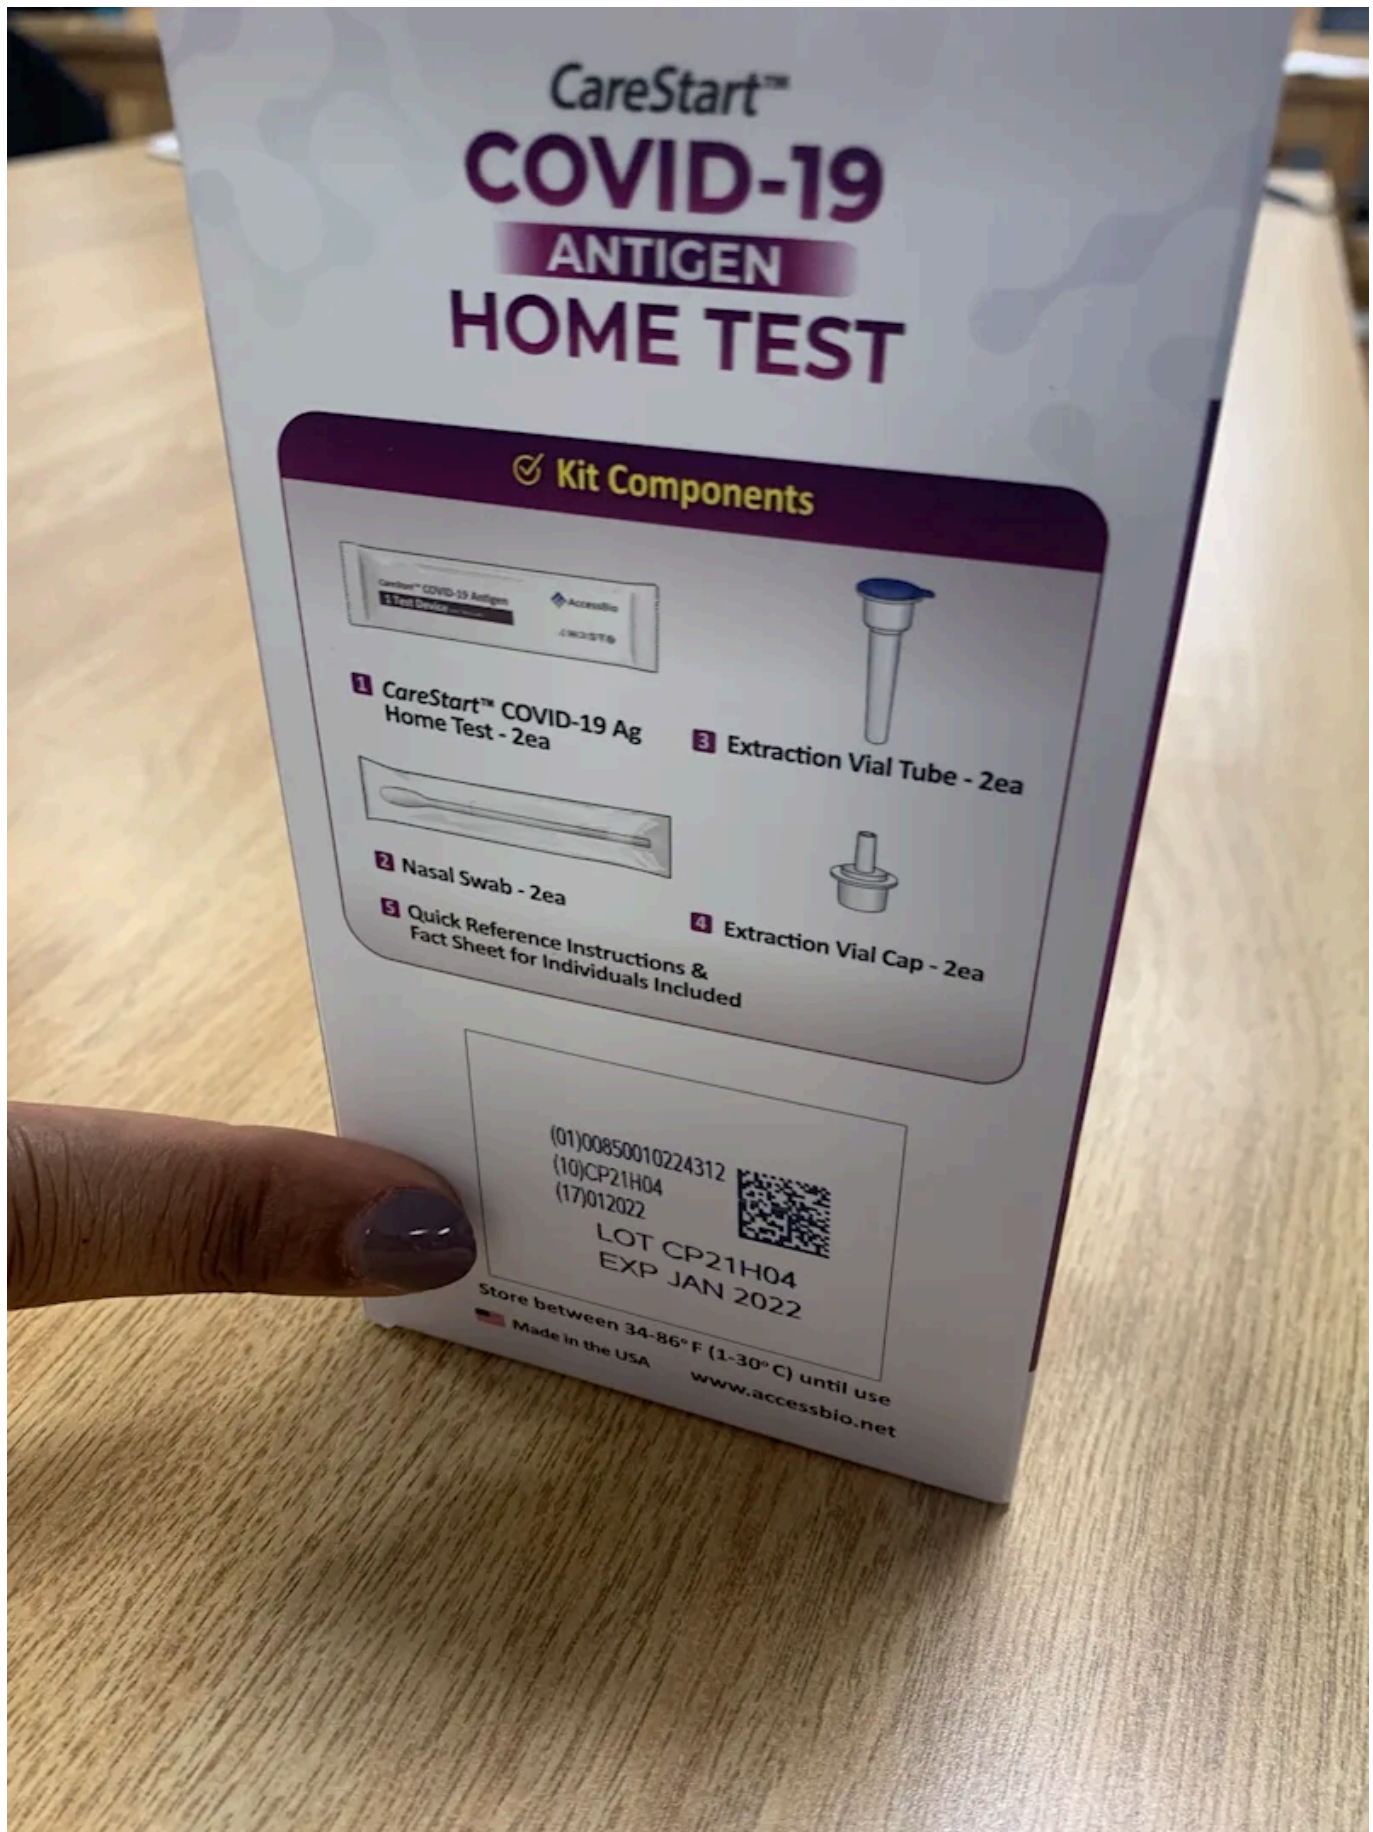

In early January, in cooperation with Rockland County Department of Health, the East Ramapo Central School District distributed free **CareStart COVID-19 Antigen Home Tests** to local families. The printed expiration date on many of the kits reads "EXP JAN 2022." However, according to manufacturer [AccessBio](https://accessbio.net/) (<https://accessbio.net/>), the FDA has **extended the shelf-life** of these **CareStart COVID-19 Antigen Home Tests**.
