R 22425 - EMERGENCY VIRTUAL OR REMOTE INSTRUCTION PROGRAM

The district believes that staff members are most effective when working with each other and the students in the same physical location. For that reason, remote work is not permitted, with limited exceptions:

Online workshops and trainings

Meetings where all participants are working remotely

The following are not allowed:

Attending meetings remotely while on a sick, personal or vacation day

Attending meetings remotely while the other participants are in person.

Any additional exception will be made by the Superintendent, in writing, prior to the event. The staff member will be required to produce the written exception in order to be paid for any extra time.

Issued: 17 February 2025
