

**A MESSAGE FROM
PRINCIPAL
BEN MCMURRAY**

Congratulations to our fall athletes on the completion of successful seasons. Despite so much adversity, our Green Bears excelled and have made us all incredibly proud. Come out to support those teams and athletes (football and cross country) that continue to compete in post-regular season competitions.

I have included the first semester exam schedule in this communication. Final exams are spread out over four days to provide balance and to allow students the opportunity to give proper attention to each one of their classes. Additional information about finals can be found in the student handbook located on the school website. I strongly encourage students to plan wisely and finish the semester strong. For students who may need additional support, we provide guidance counselors, Math Lab, and tutoring in the Foundry.

We wish everyone a happy Thanksgiving. I hope the long weekend is filled with restful and joyful times with friends and family. I am incredibly thankful for all you do to support our schools.

1. Late Start: Wednesday, November 1
