

A MESSAGE FROM PRINCIPAL BEN MCMURRAY

We hope you have been enjoying your summer vacation and some well-deserved rest and relaxation, and we look forward to hearing about your experiences.

As we prepare for back to school, we want to help ensure a positive start to the year. Our faculty and staff are working hard to prepare for the school year. Please let us know if there is anything we can do to make the start of the year go smoothly.

Please see information regarding back to school requirements, vaccinations, and sports physicals. Don't forget to take advantage of the FAST PASS opportunity.

Best,
Ben McMurray

Back to School and Fast Pass Requirements

In an effort to simplify communication and place all back to school information in one place, we have created a back to school checklist for all families to reference. This list includes school supplies, OHSPA lunches, parking passes, and much more. Rather than sending a back to school packet this year, we are providing a Google drive for each family to reference. Green Bear Day (previously known as Schedule Pick Up Day) is also picture day. If you have any questions at all, please feel free to contact our office at 419-534-5376.

Don't forget to take advantage of the Fast Pass opportunity. The office is open from 8:00am-3:00pm every week day.

AP College Board Fee Adjustment

We were recently notified that the college board increased its fee from \$96 to \$98 for each AP exam. You will see "Increased AP Exam Fee" on your student's account. We apologize for any inconvenience this may cause.

Is your student interested in getting involved in a club or activity? During lunch on Wednesday, August 30, all students will have the opportunity to learn more about each club/activity, how often they meet, goals and events for the year, etc. During the lunch hour, each advisor or club leader will be available allowing students to visit more than one club throughout the lunch period. More details to come!
