Sankofa Saturdays is a culturally responsive and sustaining enrichment program designed for Black students in grades TK-5. Scholars engage in educational experiences that enhance their learning while celebrating Black culture and history. Through culturally affirming enrichment and community-building activities, students strengthen relationships and develop a strong sense of identity and belonging, uplifting Black excellence and joy. Each session builds upon the previous one, creating a cohesive learning journey. Students are strongly encouraged to attend every Saturday to maximize the program's benefits.
