OUR VISION

We envision a school where educators, families, and communities unite to foster a collaborative and supportive learning environment in which all students leave college, career, and civic ready.

OUR MISSION

Grover C. Fields will continuously improve student achievement for all learners by supporting their personal and academic success.

WHAT MAKES US PROUD

As the former New Bern High School, our campus holds a cherished place in the hearts of generations, including the grandparents and parents of many of our current students. This historical significance enriches our educational environment and fosters a strong sense of community. We take pride in our thriving AVID program, which equips students with crucial skills for academic and personal success, while our strong athletic teams and varied arts programs consistently achieve excellence. Moreover, our focus on continuous academic improvement ensures that we remain responsive to the needs of our students, preparing them for the dynamic world ahead.
