1. Welcome – Denise welcomed all committee members and introduced Rob Phelps as the Community Council President for the current school year.
2. Review and approve May meeting minutes – The meeting minutes from the May meeting were reviewed. Celeste motioned to approve the minutes, Wendy seconded the motion. All were in favor and the minutes were approved.
3. Introductions – The committee members each took turns introducing themselves to each other.
4. Trustlands Review – Denise went through the Trustlands budget, the TSSA budget and Principal’s Trust budget. Denise explained that even though the only budget this committee is focused on, we need to know what each of the other budgets are for and how all three sets of funds work to fund the different programs at Mountain Crest.
5. Mountain Crest Improvements over the year – Denise went through improvements that have been made at Mountain Crest. A few improvements include:
  - Parking lot was repaved
  - Main Office remodel
  - Implementation of Mustang Academy
  - Painting Orange gym
  - Baseball facility

6. Other – New cell phone policy implemented this year that students are not allowed to be on their phones during class time. Teachers will take away any phones that they see.

A question was asked about student parking this year. The new paid parking spots are a student government led project and the funds raised will be spent on paint for the parking lot. There are still free spots for students to park in.

Will Mountain Crest be retrofitted for air conditioning? As of right now, no. It is cost prohibitive.

Next Meeting: September 17<sup>th</sup> 7:00 a.m.
