1. Welcome – Denise welcomed all committee members.
2. Introductions (anyone that is new) – Denise verified that all committee members have been introduced to the group.
3. Review and approve August meeting minutes – The meeting minutes for April were reviewed. Amy Garbe motioned to approve the minutes, Wendy Osborne seconded the motion. All were in favor and the minutes were approved.
4. Trustlands Review – Denise reviewed the purpose for Community Council. Currently most of the budget is spent on teacher salaries. The benefit of decisions made in Community Council sometimes are seen in the current school year, but also might not be seen for several school years. This doesn't mean that Community Council isn't having a positive impact if we don't see the benefits in the current school year.
5. Trustlands Training October 8th Zoom – Denise will send out the zoom link as soon as she has it. It will be held at approximately 6:00p.m.
6. Other – Denise led a discussion to nominate a President Elect for the current school year and this person will become the President next year. Amy Garbe was nominated, Betsy Clark motioned to approve and Rob Phelps seconded the motion. All were in favor and the motion was approved.

New policies at Mountain Crest this school year – Digital hall pass and cell phones are not allowed to be used in the classroom.

Denise led a discussion with an overview of TSI and how Mountain Crest is doing. Currently there is no clear information on the metrics of TSI so it is hard to improve a score when the school doesn't know what makes up the score. This will continue to be looked into.

Parent / Teacher conferences will be October 7, 2024 from 12:00-6:00 p.m.

Next Meeting: October 15th 7:00 a.m.
