Sannad Cusub oo Wacan!

Waxaan haystaa, muddo dheer, qadarin odhaahdan ka timid Michael Jordan, oo lagu doodi karo ciyaaryahankii kubbadda koleyga ee ugu fiicnaa waqtiga oo dhan:

"Waxaan seegay in ka badan 9000 oo xabbadood

xirfadeyda. Waxaan guuldarreystay ku dhawaad 300 oo ciyaarood.

26 jeer, waa la igu aaminay inaan qaato

darbo ciyaarta ku guulaysatay oo la waayay.

Nolosheyda marar badan iyo marar badan ayaan

ku guuldareystay. Waana sababta aan u guulaysto."

Waxaan jeclahay in Mr. Jordan uu arko in guuldaradu aysan ahayn

dhamaadka ah, laakiin fursad uu ku barto naftiisa oo uu

horumariyo. Waxa ay maskaxda ku haysaa sanadkan

cusub iyo fursada aan dhammaanteen u haysanno in aan

ka milicsano, dib u habeyno, oo aan isticmaalno waxa aan

ka baranay bilawga sanad dugsiyeedkayaga.

Taasi waa shaqada aan dhammaanteen ku hawlannahay

halkan Bryn Mawr. Ardaydeenu mid walba way baranayaan

maalinta sida loola wadaago

bulshada, iyo sida

si ay u qaataan xogta

iyaga oo u balaadhiyey fahamkooda

aduunka ku hareeraysan. Barayaasha in our

dhismuhu waxay baranayaan maalin kasta sidii ay uga

faa'iidsan lahaayeen kartidooda iyo waayo-aragnimadooda

si ay ugu hoggaamiyaan ardaydeenna si ay u gaadhaan

aqoon dheeraad ah oo ay casharrada ugu dabaqaan noloshooda.

Waxaan rajeynayaa afarta bilood ee soo socota

koritaanka asxaabteyda iyo

ardaydeenna. Dhammaanteen aan bilowno xilli ciyaareedka cusub

iyada oo ay ka go'an tahay cusub in aan ka wada shaqayno si

uu sanadkan u noqdo mid wanaagsan!

Daacadnimo,

Kevin Oldenburg
