Samaynta Dadaal Kasta Oo Tirinaysa

Qoraal ka yimid Kormeeraha Guud Dr. Carlondrea Hines

Dugsiyada Dadweynaha ee St. Louis Park ma jiraan wax ka muhiimsan dhiirigelinta iyo xoojinta mid kasta oo ka mid ah ardaydeenna si uu u guuleysto, waxaan uduub dhexaad u nahay rumaysadkan markaana sameyneyno go'aannadayada.

Intii lagu jiray qeybtii hore ee sanadka anigoo ah kormeere, waxaan arkay quruxda bulshada dugsiyeena, anigoo sidoo kale u kuurgalayay fursadaha aan ku sameyn karno si ka sii wanaagsan. Waxaan u arkaa fursadahan inay yihiin hab aan dib u qiimeyn ku sameyn karno jidkeena hore.

Sannadkan, waxaanu horumarinaynaa qorshahayaga istiraatiijiyadeed ee 2025-30. Qorshaha cusub waxa uu dhisi doonaa qorshihii hore ee qorshihii hore si loo dardargeliyo guusha waxbarasho ee ardayga. Isla mar ahaantaana, waxaan sidoo kale isku helnaa meel aan wax kaga qabano dhimista miisaaniyada. Tani waxay keenaysaa caqabado qaar, laakiin waxaan dib u qeexi doonaa waxa suurtagal ah agabyada la heli karo.

Iyada oo qayb ka ah habka dib u eegista miisaaniyada, waxaanu qaadanay tiro badan oo jawaab celin ah oo bulshada ah, taas oo keentay inaan gaadho go'aamo bilow ah. Waxaan dib u habeyn ku sameyneynaa maamulka degmada, dib-u-qiimeynta doorarka taageerada, waxaan eegeynaa siyaabaha lagu siin karo fursadaha horumarinta xirfadeed ee gudaha ee shaqaalaha. Waxaan rajeynayaa inaan la wadaago macluumaad dheeraad ah bilaha soo socda. Waxaad wax badan ka heli kartaa slpschools.org/budget.

Intaa waxaa dheer, waxaan rabnaa inaan maqalno dhammaan xubnaha bulshadayada. Fadlan isticmaal lambarka QR ee dhabarka si aad u qaadata sahanka qorshaha istiraatiijiyadeed.
