## Behavior Agreement - SIGNATURE REQUIRED

**Behavioral Expectations:** PJA Afterschool expects safe, respectful, and responsible behavior from all staff & children in our care. Our goal is to create an environment in which students & staff feel safe, supported, empowered and well equipped to self-manage and modify their own behavior and to support each other in the process.

**Group Participation:** While we understand that each camper has different passions and interests, we ask that campers find a way to participate in all program activities. Campers should be able to follow along with the group and participate in a way that feels right for them. Campers are always welcome to take breaks away from an activity or the group when needed. We will communicate with families if a child is taking extended breaks or if they seem unhappy or disengaged at camp.

**Field Trips:** Campers might attend a field trip as part of our summer camp curriculum. In order to ensure a fun summer for all, we will require safe behaviour on our school bus, crossing streets, and in field trip facilities. Field trip expectations look like but are not limited to: appropriate volume/language, following staff's instructions, keeping bodies to ourselves, being respectful to camp staff and staff at the facility we are visiting, keeping program badges securely on clothing, and staying with the group at all times.

Failure to comply with field trip expectations can result in: a parent check-in during the day, or require a parent to immediately pick-up from the field trip location. If behaviors continue, we may ask that your child does not attend field trips without a parent or guardian.
