

Mater Dei Catholic High School

Mater Dei Catholic High School (MDCHS), founded in 2007, is a private, co-ed college preparatory institution that provides an exceptional Catholic educational experience. Under the guidance of the Diocese of San Diego and fully accredited by the Western Association of Schools and Colleges (WASC) and the Western Catholic Education Association (WCEA), Mater Dei balances face-to-face teaching with the use of state-of-the-art technology, community partnerships and many opportunities for out-of-the-classroom learning.

Academy of Science

The Academy of Science is a unique and unparalleled, collaborative education experience in which high achieving students are challenged to expand their intellect, and to develop skills in scientific inquiry, critical thinking, problem solving and communication. The Academy's academically rigorous learning environment focuses on science, technology, engineering, arts and mathematics (STEAM), while fostering a culture of innovation based on leadership, social justice and serving our global community. The Academy of Science promotes three objectives for our students:

- 1** STEAM Fundamentals for College Readiness
- 2** Work-Based learning with research & innovative experiences with San Diego's STEAM community professionals
- 3** Career development and resume building in STEAM
