2023-2024 School Accountability Report Card

(Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

2024-25 School Description and Mission Statement

Mission Statement:

We are committed to meeting the diverse needs of all students so they achieve high levels of learning.

Vision Statement:

We believe that the most promising strategy for achieving the mission of our school is to develop our capacity to function as a professional learning community. We envision a school in which:

The School

- Is characterized by a collaborative culture where staff members are given the time to meet together in collaborative teams
- Has communication strategies in place to ensure that all staff members can support the mission of the school
- Supports educators' continuous learning and ongoing professional development in both academic and social-emotional domains
- Provides a consistent structure for students' social-emotional well-being

Teachers

- Determine and implement guaranteed and viable standards-based curriculum

2024-25 School Description and Mission Statement

- Utilize regular and ongoing assessment to monitor student learning of guaranteed and viable standards-based curriculum
- Design & provide intervention and enrichment instruction daily to ensure students are able to learn at high levels
- Reflect by student and standard, then adjust groups and instruction as needed
- Constantly seek out the most effective strategies that support students' academic and social-emotional learning

School Profile:

Coyle Avenue Elementary is one of 41 elementary/K-8 schools in the San Juan Unified School District. Of the students attending Coyle, 21.5% of our students are English language learners, with Spanish as a primary language, and 90% of students are socioeconomically disadvantaged.

The curriculum provided has transitioned to the Common Core State Standards. The school supports cultural awareness on a daily basis through its diverse literature selections and other school activities.

Each year we revisit and revise our mission and vision statements to ensure we are completely focused on increasing our student learning.

We have made a strong commitment to provide a positive climate for learning in which all students can reach their fullest potential in academics, attitudes, athletics, and the arts. Specifically:

- We strive to create and maintain an atmosphere that fosters the healthy emotional, intellectual, social, and physical growth of each student.
- We recognize the mastery of academic skills as stated in the Common Core State Standards as a primary goal.
- We value education as a process of opening our students' minds to critical thought and creative activity.
- We believe in the development of curriculum that encourages diversity, consideration for others, compassion, empathy, responsibility and self-discipline.
- We emphasize that learning is not confined to four walls of a classroom and that it does not end with the school years.
- We acknowledge that we learn best in a positive environment of sharing, caring, laughing, questioning, risk taking, learning, and growing.

Programs at Coyle:

- Rich academic instruction in literacy, writing, math, integrated science, social studies, art, and physical education
- Multiple measure assessments: use of school based, district, and state assessments to monitor student learning
- Parent Teacher Association (P.T.A.) with many different family nights and events.
- Community partnership with Mercy San Juan Medical Center
- Full-time Resource Specialist and Instructional Aide: serving identified special education students and site-based students at risk of not meeting standards.
- Instructional Assistants in grade K-2
- 280% Intervention Teacher
- Speech and Language Specialist: by referral.
- Adaptive Physical Education: by referral.
- Discovery Club: a before- and after-school child care/enrichment program serving children in kindergarten through sixth grade.
- Bridges After-School Program: a free after-school program that operates 3½ hours a day, five days a week, funded through a twenty-first century community learning center grant.
- Special Day Classes TLC programs: when appropriate, students are mainstreamed into the regular classroom and receive additional assistance from specially trained staff.
- Preschool – Kindergarten Autism Program: special day classes for students identified with autism. When appropriate, students are mainstreamed into the Early Childhood Education classroom, kindergarten, and 1st grade where they receive additional assistance from specially trained staff.
- Head Start/State Preschool Programs: These Early Childhood Education Programs provide educational and developmental opportunities for children from eligible low-income and special needs families.

Technology at Coyle

- Chromebook carts for teachers and student usage
- Apple TVs in all classrooms with rostered students

Use of online learning tools like Lexia and i-Ready.

2024-25 School Description and Mission Statement

Principal's Message:

Welcome to Coyle Avenue Elementary School, home of the Cougars! The Coyle staff is committed to providing our students with a high-quality, well-rounded, and equitable learning experience. The Coyle staff has been working hard to prepare curriculum, utilize cutting edge technological tools, and develop classrooms that are interactive, engaging, and grounded in building and fostering relationships with students and families.

At Coyle, we recognize that in order for students to reach their full potential, they must receive support from both home and school. As partners, we share the responsibility for our children's success. As a school, we are committed to meeting the individual needs of all students and maintaining personal connections with all families. Our teachers are your best resource, so we encourage you to connect and build strong partnerships with your child's teacher.

It is an honor and a privilege to be the principal at Coyle, and I look forward to partnering with you to make this a meaningful and successful year.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

General

The Board of Education and the Superintendent's policy is to ensure that all students are provided with a safe and well-maintained learning environment. The board approved resolutions in 1998 and 2002 to adequately fund maintenance activities and preserve the repairs and improvements funded by two facility bond measures. District maintenance staff ensure repairs necessary to keep the school in good repair and working order are completed in a timely manner. A computer automated work order process is used to ensure efficient service and that emergency repairs and health and safety repairs are given the highest priority. The Board of Education has adopted cleaning standards and custodial staffing requirements for all schools in the district. This school meets the Board's standards for custodial staffing and cleanliness. The school's custodians are trained in the proper use of cleaning chemicals and Integrated Pest Management techniques. They are managed day to day by the principal with assistance from the district's maintenance department. The district participates in the State School Deferred Maintenance Program, with funding allocated for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. Annually the district budgets \$2 million dollars for deferred maintenance activities. This school contains 17 classrooms, and 9 other student or administrative spaces as well as 4 playgrounds.

Age of School Buildings

62 years but with modernizations and additions completed in subsequent years.

Maintenance and Repair

LEA maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient services and that emergency repairs are given the highest priority. Emergency work orders are addressed in the first 24 hours. Routine work orders are addressed within 30 days.

Cleaning Process and Schedule

The LEA governing board has adopted cleaning standards for all schools in the LEA. Each site has a day and evening custodial crew. Each crew member has a run sheet with assigned responsibilities. A copy of these run sheets is available at the school office or can be obtained from Maintenance and Operations Custodial Services. Custodial Area Supervisors oversee the cleaning of all district sites to ensure cleaning standards are met daily providing a clean and safe site.

Deferred Maintenance Budget

The LEA participates in the State School Deferred maintenance Program, which provides state matching funds on a dollar-for-dollar basis to assist LEAs with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting and floor systems. For the 2023-24 school year, the LEA has budgeted 2 million for the deferred maintenance program. This represents 3% of the LEA's general fund budget.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2023-24 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

Parents are encouraged and welcomed to become a part of our school community. They are part of our educational team, and we strive to include parents in all aspects of our school program. Coyle Elementary School's programs are enhanced because of the commitment, support, and dedication of our parents to our students and staff. Parents participate at Coyle in many ways: surveys, listen sessions, after-school help, field trips, classroom docents, parent conferences, Coyle Family Events, school events, School Site Council, P.T.A., and Superintendent's Parent Advisory Committee.

Parents are encouraged to join the P.T.A. and are asked throughout the year to help with many school activities. Our monthly P.T.A. meetings are held on the second Tuesday of the month in the evening. The P.T.A. Executive Board meets at 3 p.m. for half an hour before the regular meetings. The P.T.A. provides enrichment to our students and families through family nights, book fairs, school assemblies, funds for classroom materials, funds for field trips, materials for both the computer lab and the library. For information about the P.T.A., please call 916-979-8012 and ask for Cassidy Butler or the PTA president Taryn Dyke. .

Coyle has an English Learner Advisory Committee (ELAC) that meets four times a year in December, February, April and May. The goal is to inform the parents of our English learners about programs at Coyle that help their children learn English and be successful academically. Parents are taught about the School Site Council, the English Language Proficiency Assessment for

2024-25 Opportunities for Parental Involvement

California (ELPAC), the School's Language Census (R-30 Report), progress notices and report cards, interventions used at Coyle, and services that are available. We also train parents to help them in their responsibilities to make their children successful.

Coyle's School Site Council meets monthly on the fourth Tuesday afternoon at 2:30 p.m. to oversee The Single Plan for Student Achievement (SPSA). Five members of the School Site Council are parents and community members, three members are teachers, one is a classified staff member and the tenth member is the Principal. The Site Council monitors all programs and budgets at Coyle and seeks ways to improve the academic performance of all students.

Parents are kept informed about school activities through: the weekly school newsletter called the Cougar Chronicles which parents receive by email, P.T.A. bulletins, classroom newsletters, the Parent/Student Handbook, parent education nights, School Site Council meetings, P.T.A. meetings, parent conferences, Student Study Team meetings, Positive Behavior Support Action Team meetings, School Messenger phone messages, flyers, social media, Talking Points, and assessment forms. Coyle has an active website where you can check us out and access our many links to help you improve your child's education. <http://www.sanjuan.edu/CoyleAvenue.cfm>. We want our community to be informed on all that we are doing at school!

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact the school office at 916-979-8012.

2024-25 School Safety Plan

School Safety Plan

San Juan Unified School District emphasizes school safety and understands its importance in helping to achieve the academic success of its students. In accordance with the California Education Code, each school site must complete and maintain a Comprehensive School Safety Plan, to be reviewed and updated annually. The plan includes a review of safety data for the campus, safety policies, critical incident response & management information as well as emergency procedure information including those pertaining to incidents involving fire, earthquakes, intruders and other dangers. The review and update of the plan is a collaborative process involving representatives from site administration, instructional staff, custodial & classified staff, safety personnel and parent representative who together comprise a site safety team. Finalized plans are posted to site webpages for public access and presented to staff during training and development days no later than March 1 of each year. A copy of the plan is available for review in each school site office.

Safety drills are held on a regular basis and in compliance with the California Education Code to include fire drills, earthquake drills and intruder drills. Drills are coordinated and monitored with the assistance of the trained district safety personnel.

Safety is a shared responsibility. Each school site is supported by the district's Safe Schools Team. The Safe Schools Team is comprised of personnel specifically trained to support and promote school safety, provide advice to matters involving student welfare, assist in the coordination of drills and provide safety training to students and staff. Safe Schools Team members, known as Community Safety Specialists, work collaboratively with site administrators and safety committee members to build and strengthen a culture of safety as well as address specific incident needs. The Safe Schools Team members are further supported through developed relationships with local law enforcement offices including the Sacramento County Sheriff's Department & Citrus Heights Police Department. As needed, San Juan Unified utilizes contracts with local law enforcement for the purpose of employing uniformed law enforcement officers to further enhance school site security for special events as

well as in response to critical incidents and threats.

Professional Development

Professional development is a key part of the continuous improvement process for educators. The goal of our quality professional development is to support the learning of teachers and paraprofessionals to positively impact student achievement. Annually, teachers and site administrators participate in professional development in a variety of opportunities. Seventy-five minutes per week are dedicated to staff collaboration and training planned by site leadership teams. The District also provides a cycle of continuous professional development for Administrators through Principal Networks as well as Leadership Academies.

The District provides professional development opportunities for teachers and administrators that support the implementation of Common Core State Standards in English language arts, mathematics, science, social studies, and the ELA/ELD Framework. Specific professional development initiatives include: Culturally Responsive Practices, Critical Literacy, TK-2 Reading, Supporting Independence and Engagement through Reading and Writing, Math to the Core, Expository Reading and Writing Course, and ELD Foundations. District departments, Center for Teacher Support, grant-funded projects, and the San Juan Teacher's Association sponsor additional training opportunities. Professional development opportunities are voluntary for teachers and are provided throughout the year in a variety of formats: during the school day, after school, on Saturdays, and during summer and vacation breaks. Many teachers and administrators also take advantage of opportunities with Sacramento County Office of Education, California Department of Education, the college/university programs, state/national education organizations, and private educational institutes.

What grounds the professional development in the district is the District Strategic Plan and the Local Control Accountability Plan. Professional Development is further determined using one or more of the following: (a) student achievement data, (b) staff survey data, and (c) district-identified goals. Professional development addresses the Common Core State Standards, teaching strategies, curriculum, assessment, technology, classroom management, safety, and leadership. Administrator training accompanies professional development in district focus areas, providing implementation support for teachers on site. Content-area coaches are available at some schools. Additional classroom support is provided to new and struggling teachers by consulting teachers from the Center for Teacher Support.

Paraprofessionals are encouraged to participate in professional development at the district and site level, and there are specific opportunities designed for our paraprofessionals to attend and be compensated. Specifically designed training is also offered to non-instructional support staff such as clerical and custodial staff that includes both operational and instructional topics.
