

PLEASE BE PATIENT

Parents - for the first few weeks of your BeeKeepers school year attendance, just as you are getting to know us, we are getting to know you. Remember to bring your **state issued identification** when you arrive to pick up a student from our program.

ALSO:

If someone **other** than a parent will be picking your child up regularly, please notify us (in writing) of your authorization. Despite the fact that they may be on your authorized pickup list, we would appreciate prior notice.

Thank you!

- The BeeKeepers Staff
