Culture

- ★ **SEL Curriculum** - Collaborative Classroom's "Caring School Community" curriculum daily in K/1; Second Steps in PreK
- ★ **SEL Team** - Weekly meeting of specialists to ensure student needs are being met
- ★ **Sunshine Committee** - Team of staff that promote positivity at school from individual positive notes to treats for staff each month

Student Ownership of Learning

- ★ **Classroom Learning Systems** - Class mission statements, class goal with individual progress tracking
- ★ **Deeper Learning** - Portrait of a Learner & Thinking Maps; Writing from the Beginning and Beyond
- ★ **I am a Reader** - Kindergarten students who demonstrate independent reading ability receive a medal in celebration

"Better Together"

Hogsett continues their mantra of "Better Together" and this year has welcomed Toliver staff to join us in this belief.

Instruction

- ★ **School Leadership Team** - Team leads from all areas of the school team, working together to ensure all voices are heard and student needs addressed
- ★ **Science Curriculum** - Embedded as part of literacy block, hands on experiences and vocabulary build background knowledge prior to reading and writing on the same topics
- ★ **Bridges Classroom** - PreK classroom meeting the unique needs of students with autism and severe developmental delays
- ★ **KATC Partnership** - Observation, professional development, and resources through the Kentucky Autism Training Center
- ★ **Congruence Work** - Learning targets for math and literacy completed; math assessments the focus for the year, kindergarten completed quality control process for all units and 1st grade will be complete by summer
