Radon Sampling Assessment**

Dear Mr. Nannestad:

Quality Environmental Services & Technologies Inc. (QUEST) is pleased to assist Douglas County School District with the ongoing radon survey of its schools. At your request, QUEST conducted radon testing at the Colorado Early Colleges High School, located at 10235 Parkglenn Way in Parker, Colorado.

Eleven (11) AirChek radon test kits (including 1 duplicate) were placed on March 19, 2024 and were retrieved on March 21, 2024. The attached laboratory report identifies that radon concentrations in all tested locations were within (below) the EPA guideline of 4 pCi/L for acceptable radon concentrations.

If you have any questions, or if we may be of additional assistance, please contact QUEST, Inc. at 303-935-1573. We look forward to our continued association.

Sincerely,
