

Explore What's Possible

FARIBAULT PUBLIC SCHOOLS

Immersion Program

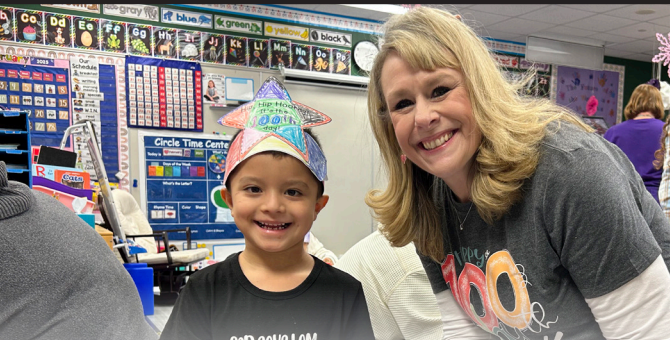

Your child could start learning Spanish in Kindergarten! Give them the advantage of learning a second language early on.

Career Pathways

Is your child already thinking about their future career? Our Pathway program offers specially designed courses to give them a head start.

Raising the Bar Today for a Brighter Tomorrow.

Community School

We transform schools into hubs where students, families, educators, and community members collaborate to strengthen conditions for learning.

Online Academy

Does your child want to learn at their own pace? Our online learning program is free and available to any 7-12 grade student anywhere in Minnesota!
