

Columbus School District Commitments

Launching A New Legacy Priorities

1. Create a community campus by building needed facilities and amenities.

2. Expand hands-on STEAM opportunities for all students.

3. Address students' social needs (i.e. poverty, mental health) with community collaboration.

4. Offer a wide variety of course offerings and co-curricular activities to address students' needs.

5. Develop and expand community partnerships.

6. Implement and sustain up-to-date technology within the schools.
