Respect – Grade 3

Dear Families/Caregivers,

We are learning about how to inspire others to show respect. When we show respect, others might be excited to show respect too.

Supporting Your Child in Understanding How to Show Respect

- Talk about the importance of respect and how your family shows respect to each other.
- Encourage your child to show respect by treating people in ways that show they care
- Provide opportunities for your child to inspire others to show respect, like doing a beach clean-up, collecting books to donate to the local library, or reading books to teach younger students about respect.
- Read books about respect together and invite your child to identify how the characters show respect. Some books include:
  - *Becoming a Good Creature* by Sy Montgomery
  - *Lend a Hand* by John Frank Morris
  - *We're All Wonders* by R. J. Palacio
  - *When We Are Kind* by Monique Gray Smith

Thank you for your support.
