Respect – Grade 4

Dear Families/Caregivers,

We are learning about how body language can show respect.

Some ways to show respect with body language include:

- listening
- facing the person
- nodding your head
- raising your hand
- giving a high-five
- showing a thumbs up

Supporting Your Child in Understanding Respect and Body Language

- Talk about the importance of respect and how your family shows respect to each other.
- Encourage your child to show respect by treating people in ways that show they care about their feelings.
- Play a game of body language charades, acting out different ways to show respect with body language.
- Read books about respect together and invite your child to identify how the characters show respect. Some books include:
  - *Becoming a Good Creature* by Sy Montgomery
  - *Lend a Hand* by John Frank Morris
  - *We're All Wonders* by R. J. Palacio
  - *When We Are Kind* by Monique Gray Smith

Thank you for your support.
