If you are looking for a nontraditional setting that offers a tailor-made experience then Moore Street School is the place for you. We understand everyone's path to success could look totally different. With smaller class sizes every student receives their own individualized educational experience. Our ultimate goal is high achievement and success for EVERY student. Using our charter flexibility we offer several innovative options:

- Move on when ready
- Flexible scheduling
- Combo classes (earn two credits)
- Evening School
- Fast track
- Dual enrollment
- In-person, hybrid, and virtual learning environments

At Moore Street School we use a blended learning model, computer based and direct instruction. The computer based instruction is provided through Schools Personalized Learning Platform (PLP), Edgenuity, and Read 180/System 44. Additionally, we have 3 focuses: building quality assessments using Progress Learning, using instructional videos to extend student learning, and student voice. We feel this is the best way to provide multiple opportunities for students to engage with the standards.

Sincerely,

Catina Edmond Puckett, Principal

Infinite Campus Parent Portal Access

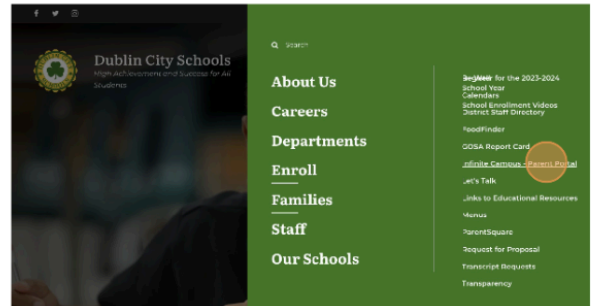

Dublin City Schools is pleased to offer our parents the Infinite Campus Parent Portal. This online tool is used for you to keep track of your child's progress. Parents may view their student's grades, attendance, schedule, and more using Infinite Campus Parent Portal.

Once your student(s) is/are enrolled, please follow the steps listed below to access the portal.

Step 1: We DO NOT use an Activation Key for creating accounts. Instead, you can also go to the Dublin City Schools home page <https://www.dcsirish.com/> then navigate to the upper right-hand corner to Menu.

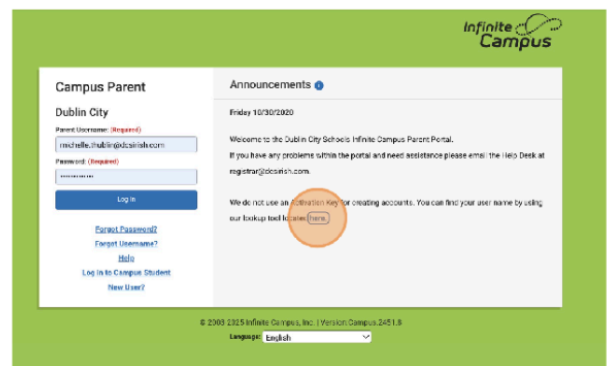

Step 2: Click on the Families Heading > Infinite Campus Parent Portal.

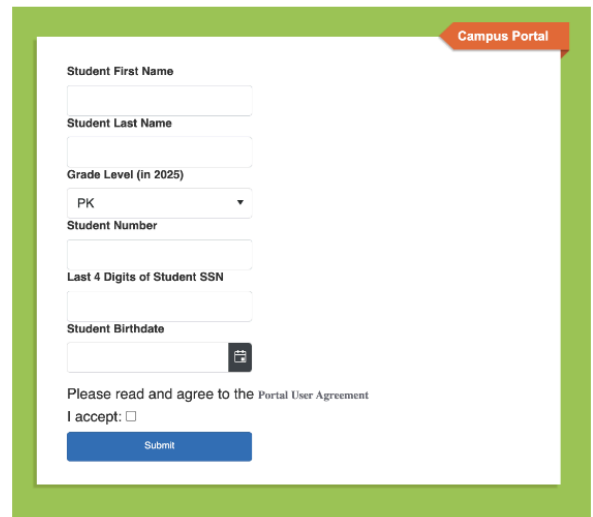

Step 3: Click Campus Parent.

Step 4: Find your individual username & password by navigating to the on-screen announcement & clicking HERE.

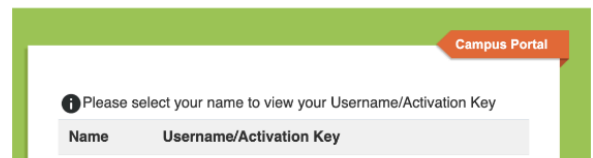

Step 5: Enter the requested information: student's first and last name (as shown on the Birth Certificate), grade level, student number (student's lunch number), last 4 digits of the student's SSN, and student's birthday, then click **SUBMIT**.

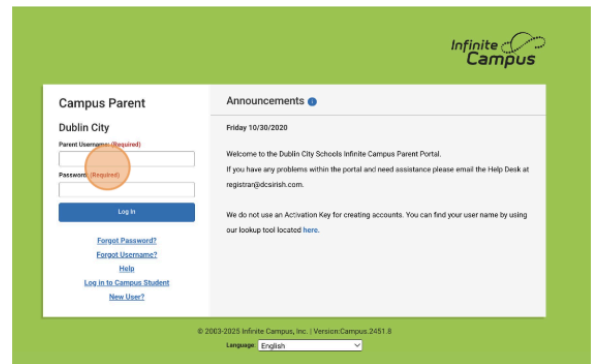

The screenshot shows the 'Campus Portal' registration form. It includes input fields for 'Student First Name', 'Student Last Name', 'Grade Level (in 2025)' (with a dropdown menu showing 'PK'), 'Student Number', 'Last 4 Digits of Student SSN', and 'Student Birthdate'. Below these fields is a checkbox for 'Please read and agree to the Portal User Agreement' and a 'Submit' button.

Step 6: Your personalized account information will then appear on your screen.

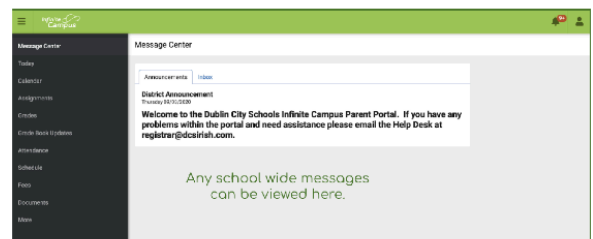

The screenshot shows the 'Campus Portal' account information screen. It features a table with two columns: 'Name' and 'Username/Activation Key'. Above the table, there is a message: 'Please select your name to view your Username/Activation Key'.

Step 7: Use your personalized account information to log in.

The screenshot shows the 'Campus Parent' login page for 'Dublin City'. It includes input fields for 'Parent Username (Required)' and 'Password (Required)', a 'Log In' button, and links for 'Forgot Password?', 'Forgot Username?', 'Help', 'Log In As Campus Student', and 'New User?'. On the right, there is an 'Announcements' section with a date 'Friday 10/30/2020' and a welcome message. The footer includes copyright information and a language dropdown menu.

Step 8: Once you've logged in, you'll be able to access the message center, see your child's schedule and assignments, view grades as well as check their attendance.

The screenshot shows the 'Message Center' interface. On the left is a sidebar with navigation links: 'Tools', 'Calendar', 'Assignments', 'Grades', 'Grade Book History', 'Attendance', 'Contact Us', 'Help', 'Enclosures', and 'About'. The main area displays a 'Message Center' with a 'District Announcement' from 'Friday 10/30/2020'. The announcement text reads: 'Welcome to the Dublin City Schools Infinite Campus Parent Portal. IN DUBLIN CITY SCHOOLS...

We believe that a safe, secure, flexible and loving environment promotes positive learning communities for academic achievement, personal growth, and emotional well-being.

Our highly-trained safety and security staff monitor, protect and respond 24 hours a day, 7 days a week, 365 days a year. Our paramount duty is to create a safe learning environment where each student can learn, discover and thrive.

Safety and security staff support and assist in the training of all district staff to be prepared to respond to natural- or human-caused emergencies. We work with communications and school staff to inform families about emergencies as soon as we can with as much information as possible.

We are committed to creating a safe environment in every school, every day. We put a high priority on building relationships with students. And, our safety and security officers proactively work to support our district's promise of supporting the needs of the whole child.

COMMUNICATION DURING AN INCIDENT

In the event of a snowstorm, hurricane, threat to campus or other emergency event, Dublin City Schools will implement safety procedures and may change school start or dismissal times for student safety.

Here are the ways we communicate emergency information:

- Automated messages through ParentSquare. Please provide your school with current telephone numbers to reach you and other emergency contacts.
- Announcements on district and school websites.
- Announcements on social media. Please follow us on Facebook, Twitter and Instagram.
- Announcements on TV and radio.

Student safety is our number one priority. Our schools have safety plans in place to handle natural disasters, security issues, and other emergency situations, in coordination with local law enforcement and first responders. Help us keep your child safe by following these emergency DOs and DON'Ts.

DO: PREPARE IN ADVANCE

Bookmark our Website: We will post the latest available information at dcsirish.com. Check back frequently for updates and instructions on when and where you can pick up your child if parent pick-up is necessary.

Get Connected: Make sure we have your current phone number and email address on file so we can reach you quickly with an automated text, or email about an emergency situation. When you move, change jobs, or get a new number, please update your contact information with your child's front office.

Have Identification Ready: Always bring a photo ID when picking up your child. This supports school staff with verifying identities quickly and maintaining the safety of all students.

Plan Ahead: Discuss reunification plans with your child ahead of time so they understand the process and won't be alarmed. Let them know to follow their teacher's instructions and not try to leave the school on their own.

DON'T

Call Your Child's School: Resources are stretched thin during emergencies. Incoming calls take away from our ability to get updates to you through our website, mass notification system, and social media platforms.

Rush to the School: Coming to school may put you or your child at great risk. Additional people on the scene distract first responders from their primary job – keeping our students and staff safe. Instead, check our website, social media channels or your phone for information and instructions.

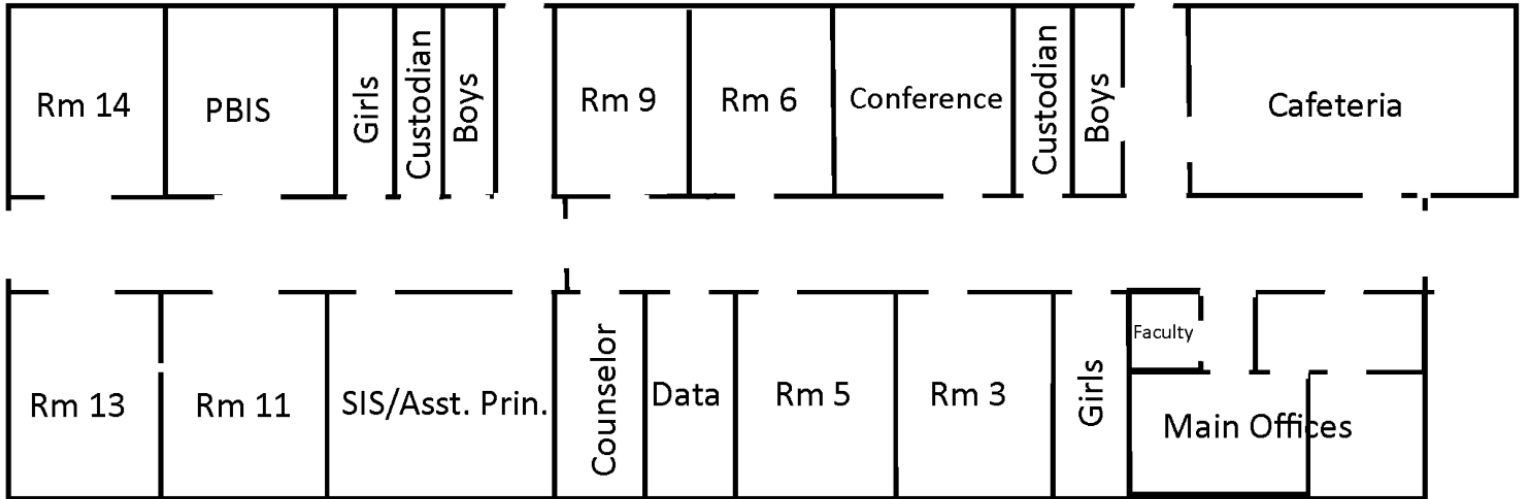

Share Unverified Information: Avoid spreading unverified information through social media or other means. This can lead to confusion and hinder the efforts of emergency responders and the district.

Attempt to Circumvent Security Procedures: Even if the process seems slow, do not attempt to pick up your child from unauthorized locations or before you've been notified. This will ensure everyone's safety.
