Dr. Michael Overstreet, Principal

**February 22, 2025**

On behalf of the faculty and staff, welcome to Dublin High School! I have served Dublin City Schools for fifteen years in various leadership roles, and I strongly adhere to the district's vision, mission and belief statements. Therefore, I am proud to begin this new journey with you. Moreover, I am enthusiastic about what the 2025-2026 school year will offer and look forward to building new relationships with students, staff, parents and our greater school community.

My ultimate goal for all students is to graduate from Dublin High School with a plan to fulfill their goals of becoming workforce, college, and career-ready. Moreover, I want every student to enjoy their high school experience and to cherish the next four years for a lifetime. Next year, I will continue to support our commitment to excellence and being globally competitive - "The Dublin Way!" Parents, please consider the following to ensure your child's success at school:

- Encourage your child to find an activity they enjoy and be part of the Irish Family's many extracurricular activities. Your child should set a goal to join one of our many clubs and organizations, try out for a sports team, or participate in our performing arts program.
- Monitor your child's academic progress and attendance weekly in Infinite Campus - Parent Portal. If they need support, please contact their teachers, DHS support staff, or myself for help.

At Dublin High School, we pride ourselves on providing our students, staff, and families with an environment that's safe, loving, clean, and conducive to teaching and learning.

With kind regards,

*Dr. Michael Overstreet*

Principal

# **I. STUDENT CODES**

## **STUDENT DRESS CODE:**

The DHS dress code is created to promote safety, good hygiene, workforce readiness, and a wholesome school environment. Certain styles of attire, while accepted elsewhere, are not appropriate at school. All students are expected to follow the dress code while on school grounds before, during, and after school. The administration will make the final decision of any questionable dress code issue.

### **A. General Rules:**

- No excessively **tight or oversized** clothing.
- No outer clothing which resembles loungewear, pajamas, underwear, or blankets of any kind
- No fads and styles, which differ extremely from conventionally accepted standards, such as pants with slogans/writings across the buttocks.
- All ripped or torn clothing **must** have leggings or other attire underneath such that skin is not showing.
- Avoid any clothing that is distracting because of extremes in style, fit, color, pattern, fabric, etc.
- No exposed **tattoos or clothing** that include profanity, nudity, alcohol, drugs, or discriminatory, racist, or gang-related symbols or known gang affiliated colors
- No slides, bedroom shoes, or shoes without a back are allowed anytime while students are on campus.
- No Caps, Hoodies, Scarfs, Do-rags, or headgear of any kind shall be worn inside classrooms or the campus during the instructional day.

### **B. Specific Rules:**

- **Blouses/Tops** not appropriate for school include those that are low-cut (showing cleavage), see-through, backless, tube tops, tops that expose shoulders, etc. Halter tops, tank tops, strapless tops, spaghetti straps, or tops of any type that expose the bra will NOT be allowed. The midriff must not be exposed when a student goes through the normal activities of a school day (i.e., bending, stretching, reaching, etc.).
- **Clothing and socks** shall be free of inflammatory, suggestive, racial, or other **inappropriate writing**, advertisement, or artwork. This also includes offensive words and designs, violence (blood, death, and weapons), sex, hate groups, tobacco or vaping products, drugs, and alcohol or gang membership.
- **Dresses, skirts, and shorts** must be no higher than **4 inches** above the crease in back of the knee.
- **Pants** will be worn at the waist—**NO SAGGING!** Wearing pants below the buttocks to expose the underwear is in violation of the Dublin City Ordinance. Tights, biker shorts, leggings, and jeggings are prohibited as outerwear.
- **Shirts** may be draped below the waistline, but **shirts** cannot be oversized, or tied to resemble a midriff.
- **Shoes** or sandals with a back must be worn at all times. House shoes or bedroom slippers (or any shoe that resembles house/bedroom shoes) are strictly prohibited. Also prohibited: flip flops and slides.

### **C. Accessories**

- **Headgear**, including hats, caps, hoods, sweatbands, scarfs, bandanas, “doo rags,” head wraps, sunglasses, combs, picks, curlers, headphones and earbuds, etc., are NOT allowed at any time during the school day.

\*Parents will sign-off on page 79 after reading pages 12-17.

- All students must comply with the dress code for the entire school day. This includes cheerleaders, dance teams, flag corps, athletes, and other groups, except during performances or special activities approved by the principal.

#### **D. Book Bag Policy**

- Students are only permitted to carry MESH or CLEAR book bags to class. Certain book bags may be deemed too large and if so will be prohibited from being brought to school. All book bags must be carried. **No rolling book bags are permitted on campus without prior authorization from administration.** If a student is a member of a DHS Athletic team, they will be allowed one team bag to carry his/her sports equipment. They will be encouraged to place these items in a locker or a designated location assigned by a coach or administrator until the end of the school day.

**Cell Phones and Other Electronic Devices.** Cell phones and other electronic devices **ARE NOT TO BE USED** at school during the instructional school day, including lunch periods, breaks, and change of classes. Cell phones must be turned off and kept **OUT OF SIGHT** at all times. During class time, cell phones will be required to be stored in a **Cell Phone Pocket Chart Storage located in every classroom.** Students will be required to place their cell phone in the Cell Phone Chart Storage upon entering the classroom and for the duration of that class time. Cell phones must be turned off. The cell phone chart storage pocket will be under the supervision of the classroom teacher. During transitions in the hallway between each of the four blocks, cell phones should be kept in book bags. They are not to be kept in pants, jacket, shirt or hoodie pockets. Cell phone accessories (headphones, chargers, etc.) are to be kept in book bags or purses as well. The use of cell phones while on school buses is strictly prohibited unless an emergency situation arises and students have permission from the bus driver. Violations of this policy will usually result in the following disciplinary action:

- First Offense: **3 days of ISS.**
- Second Offense: **5 days of ISS.**
- Third Offense: **10 days of ISS.**
- Continued violations will result in additional disciplinary action.

Cell phones or cameras containing **indecent, nude, or pornographic pictures or video, photos of drugs, weapons, acts of violence, or gang-related activity** will be confiscated and kept indefinitely or turned over to police. Recordings on campus of any event including verbal or physical confrontations will be confiscated by school administrators as part of any investigation.

**We are not responsible for lost or stolen cell phones.**

# DHS DRESS CODE EXAMPLES

The dress code will be enforced **DAILY** at Dublin High School. Please assist us by ensuring that your child is dressed following the school-wide dress code. When we have to call parents for repeated violations, this not only interferes with your child's instructional time, but it also impacts his/her participation in upcoming school-wide events.

Please review the examples below for further clarification on what is considered acceptable. If you have any questions, please contact our school at (478) 353-8040.

**YES** 

Graphic t-shirts **MAY** be worn. However, ensure they are free from profanity, nudity, alcohol, drugs, discriminatory or gang-related symbols.

Students are only able to carry **MESH** or **CLEAR** book bags to class.

Crocs **MAY** be worn as long as the strap is on the back at all times.

**No** 

While hoodies are acceptable forms of outerwear, no hoods, caps, scarfs or do-rags can be worn on campus during the instructional school day.

Jeans may not have any pre-designed rips, tears, holes or frays as to expose skin. Neither biker shorts or wearing leggings as pants is acceptable.

House shoes, bedroom slippers, flip-flops and slides are also prohibited.

**Step 5:** Enter the requested information: student's first and last name (as shown on the Birth Certificate), grade level, student number (student's lunch number), last 4 digits of the student's SSN, and student's birthday, then click **SUBMIT**.

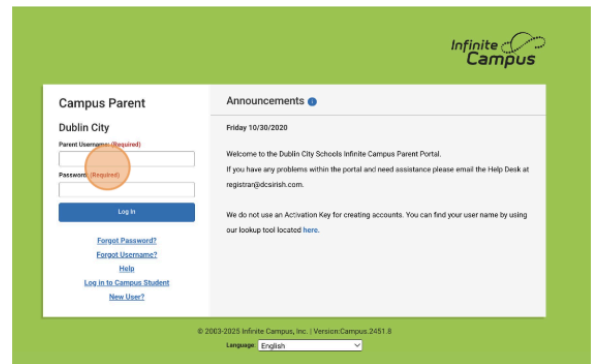

The screenshot shows the 'Campus Portal' registration form. It includes input fields for 'Student First Name', 'Student Last Name', 'Grade Level (in 2025)' (with a dropdown menu showing 'PK'), 'Student Number', 'Last 4 Digits of Student SSN', and 'Student Birthdate'. Below these fields is a checkbox for 'Please read and agree to the Portal User Agreement' and a 'Submit' button.

**Step 6:** Your personalized account information will then appear on your screen.

**Student safety is our number one priority. Our schools have safety plans in place to handle natural disasters, security issues, and other emergency situations, in coordination with local law enforcement and first responders. Help us keep your child safe by following these emergency DOs and DON'Ts.**

## DO: PREPARE IN ADVANCE

**Bookmark our Website:** We will post the latest available information at [dcsirish.com](http://dcsirish.com). Check back frequently for updates and instructions on when and where you can pick up your child if parent pick-up is necessary.

**Get Connected:** Make sure we have your current phone number and email address on file so we can reach you quickly with an automated text, or email about an emergency situation. When you move, change jobs, or get a new number, please update your contact information with your child's front office.

**Have Identification Ready:** Always bring a photo ID when picking up your child. This supports school staff with verifying identities quickly and maintaining the safety of all students.

**Plan Ahead:** Discuss reunification plans with your child ahead of time so they understand the process and won't be alarmed. Let them know to follow their teacher's instructions and not try to leave the school on their own.

## DON'T

**Call Your Child's School:** Resources are stretched thin during emergencies. Incoming calls take away from our ability to get updates to you through our website, mass notification system, and social media platforms.

**Rush to the School:** Coming to school may put you or your child at great risk. Additional people on the scene distract first responders from their primary job – keeping our students and staff safe. Instead, check our website, social media channels or your phone for information and instructions.

**Share Unverified Information:** Avoid spreading unverified information through social media or other means. This can lead to confusion and hinder the efforts of emergency responders and the district.

**Attempt to Circumvent Security Procedures:** Even if the process seems slow, do not attempt to pick up your child from unauthorized locations or before you've been notified. This will ensure everyone's safety.
