PRINCIPAL'S MESSAGE

*"The function of education is to teach one to think intensively and to think critically.
Intelligence plus character – that is the goal of true education."*

Dr. Martin Luther King, Jr.

Greetings to all Stakeholders of Susie Dasher STEAM Elementary School!

The above words, spoken by Dr. Martin Luther King Jr., capture the very essence of who we are and what we are all about at Susie Dasher Elementary. Our mission is to educate through the process of STEAM in all academic areas in order to prepare students to be effective communicators, problem solvers, and lifelong learners. In the process, we also aim to instill values which will enable our students to become productive citizens of future society. All efforts of the Susie Dasher STEAM community are done with a sense of PRIDE:

Personal Responsibility,
Respect,
Integrity,
Discipline, &
Excellence.

All of us at Susie Dasher Elementary School are eager and excited to begin what promises to be the best year ever!

We will continue to provide academic experiences for our students that are rigorous, relevant, and build relationships. As the Instructional Leader of this professional learning community, my top priorities include increasing student achievement through improving teacher quality and effectiveness in the classroom and increasing parental involvement that promotes clear support of the instructional program at SDE. It is also important to me that everyone who steps through our doors is excited to be here and immediately feels a sense of family and PRIDE! This attitude will enable us to meet the challenges of academic excellence in a positive, fun, and nurturing environment.

As I continue my tenure as Principal of this AWESOME SCHOOL, please know that I am energized and deeply committed to making a positive difference in the lives of your children. By employing highly qualified teachers and support staff, positively engaging all of our stakeholders, and providing a quality learning environment with adequate resources, TOGETHER we will produce successful students who are college and career ready without mediation.

We are very pleased that you have shown interest in our school, and I look forward to working with each of you during the 2025-2026 school year. Let's make it the best one yet!

Sincerely,

LaKeisha W. Fluker

A FEW SUSIE DASHER SPECIFICS

ARRIVAL & START TIME:

School begins promptly at 8:15 AM each day. Students are not permitted to enter the building before 7:30 AM. Upon entry, students will report directly to breakfast. After breakfast, students are to report directly to their homeroom class. Car rider students who plan to eat breakfast, which begins at 7:30 AM, must be in the cafeteria no later than 8:00 AM. Students who do not choose to eat breakfast will report directly to their homeroom class.

TARDINESS:

Students are expected to arrive at school on time. **Students who arrive after 8:15 AM will need to enter the building from the front entrance and will be marked tardy.** We encourage you to have your child here no later than 7:50 AM. Five tardies and/or early dismissals are considered as one (1) unexcused absence.

DISMISSAL:

Students will be dismissed at 3:00 PM each day unless there are partial days, which will be communicated prior to the days. Once dismissed, students should leave the school campus immediately unless he or she is detained by a teacher or the principal. **Parents must pick up their children on time!** Parents who are picking up their child MUST display the car rider tag in the front windshield of the vehicle.

EARLY DISMISSAL:

Parents must sign the student out in the office for the student to leave early, and the student must check in with the office if he/she returns during the school day. For security reasons, anyone checking out a student will be **required** to show a picture I.D. (i.e. Driver's License) **prior** to having a child released to exit the building with him/her; in addition, the parent or guardian checking out the student will also have to sign out students through the school's secure student information system (Infinite Campus). The teachers are **not permitted** to release students from the classroom. Your understanding and cooperation are greatly appreciated as this is a safeguard for all our children. Early checkout should be reserved for special circumstances and not used as a student's regular method of dismissal.

NO EARLY DISMISSALS WILL BE ALLOWED AFTER 2:30 PM

ANY CHILD NOT GOING HOME HIS/HER USUAL WAY, MUST BRING WRITTEN INSTRUCTIONS FROM THE PARENT OR GUARDIAN (with a working phone number, dated, and signed to the school). ABSOLUTELY NO CHANGES IN TRANSPORTATION WILL BE MADE OVER THE TELEPHONE OR AFTER 12:00 PM. Again, your understanding and cooperation is appreciated as this is a safeguard for all our children.

IN DUBLIN CITY SCHOOLS...

We believe that a safe, secure, flexible and loving environment promotes positive learning communities for academic achievement, personal growth, and emotional well-being.

Our highly-trained safety and security staff monitor, protect and respond 24 hours a day, 7 days a week, 365 days a year. Our paramount duty is to create a safe learning environment where each student can learn, discover and thrive.

Safety and security staff support and assist in the training of all district staff to be prepared to respond to natural- or human-caused emergencies. We work with communications and school staff to inform families about emergencies as soon as we can with as much information as possible.

We are committed to creating a safe environment in every school, every day. We put a high priority on building relationships with students. And, our safety and security officers proactively work to support our district's promise of supporting the needs of the whole child.

COMMUNICATION DURING AN INCIDENT

In the event of a snowstorm, hurricane, threat to campus or other emergency event, Dublin City Schools will implement safety procedures and may change school start or dismissal times for student safety.

Here are the ways we communicate emergency information:

- Automated messages through ParentSquare. Please provide your school with current telephone numbers to reach you and other emergency contacts.
- Announcements on district and school websites.
- Announcements on social media. Please follow us on Facebook, Twitter and Instagram.
- Announcements on TV and radio.

Student safety is our number one priority. Our schools have safety plans in place to handle natural disasters, security issues, and other emergency situations, in coordination with local law enforcement and first responders. Help us keep your child safe by following these emergency DOs and DON'Ts.

DO: PREPARE IN ADVANCE

Bookmark our Website: We will post the latest available information at dcsirish.com. Check back frequently for updates and instructions on when and where you can pick up your child if parent pick-up is necessary.

Get Connected: Make sure we have your current phone number and email address on file so we can reach you quickly with an automated text, or email about an emergency situation. When you move, change jobs, or get a new number, please update your contact information with your child's front office.

Have Identification Ready: Always bring a photo ID when picking up your child. This supports school staff with verifying identities quickly and maintaining the safety of all students.

Plan Ahead: Discuss reunification plans with your child ahead of time so they understand the process and won't be alarmed. Let them know to follow their teacher's instructions and not try to leave the school on their own.

DON'T

Call Your Child's School: Resources are stretched thin during emergencies. Incoming calls take away from our ability to get updates to you through our website, mass notification system, and social media platforms.

Rush to the School: Coming to school may put you or your child at great risk. Additional people on the scene distract first responders from their primary job – keeping our students and staff safe. Instead, check our website, social media channels or your phone for information and instructions.

Share Unverified Information: Avoid spreading unverified information through social media or other means. This can lead to confusion and hinder the efforts of emergency responders and the district.

Attempt to Circumvent Security Procedures: Even if the process seems slow, do not attempt to pick up your child from unauthorized locations or before you've been notified. This will ensure everyone's safety.
