

Fargo South Student Announcements

Friday, February 21st, 2025

Announcements:

- Fenworks will be in C30 during period 8 and after school on Friday. They will be demonstrating drones and presenting on UAS opportunities in North Dakota. Stop in and see what drone careers are available.
- There is Saturday detention this week for those students who have detention hours to serve. Saturday detention is from 9am to Noon in room E10. Please enter the school from the South doors and be sure to have homework or a book to read. Remember, Saturday detentions are 2 for 1!
- The Tri-College Math Competition will be held at MSUM on Tuesday March 11th. If you are interested in participating, see Mrs. Gratton in room E16."
- We will be having Environmental Club on Monday, February 24th after school in Room C13. All are welcome!
- CIRCLE activities are a great way to form connections with others! Rachel is offering Circle experiences as part of Restorative Practices and has posted signs around school about times and days of Circles. Friday, during Periods 5A, 5B, 7, and 8, look for the colorful parachute outside the main gym and join in if you have an Open Period or free time! If you are free to participate at a different time of day, please stop by the Counseling Center office and sign up for other periods and to learn more about what Circle is all about!
