Total.....	220

About Montgomery High School

Montgomery High School is an International Baccalaureate high school located in Santa Rosa, Sonoma County's largest city. Opening its doors in 1958, Montgomery is the second oldest high school in the Santa Rosa City Schools district and one of five comprehensive high schools. Montgomery is an International Baccalaureate high school, one of 2,300 worldwide offering the most rigorous high school education. The aim of all IB schools is to develop internationally-minded people who, recognizing their common humanity and shared guardianship of the planet, help to create a better and more peaceful world. We continue our strong tradition of academics, athletics, and student involvement in the community. We emphasize relationships, rigor, relevance, and responsibility in our daily work. We are known as the Viking Family: all students can find a home here and all are challenged to their highest potential.

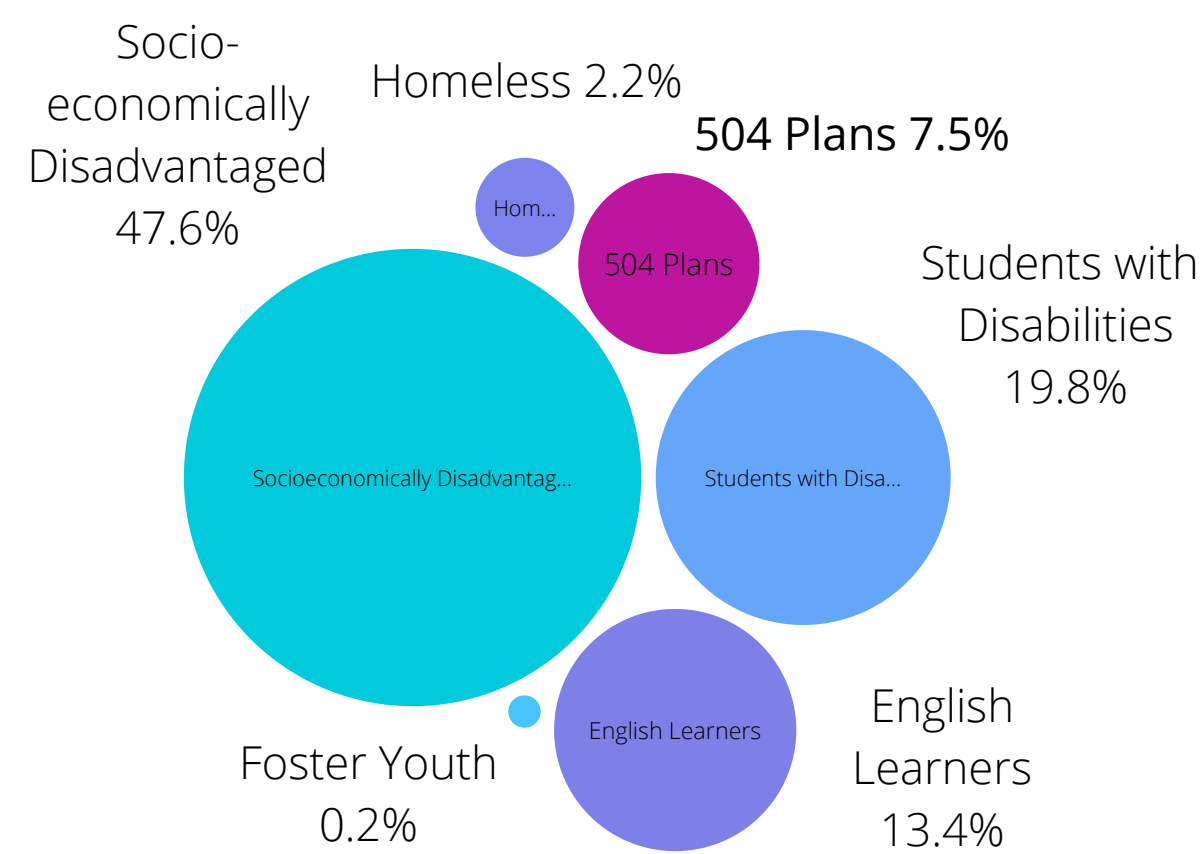

Grading & Transcripts

Transcripts are generated on a 4.0 GPA scale. Courses designated Honors, AP, and selected IB courses are weighted one extra grade point for the grades above 70%. State GPA is an overall GPA excluding physical education class marks.

Advanced Placement Results

- In May of 2024, 45 students took the AP exam.
- A total of 54 exams were taken in 7 subjects.
