

## **Nominee's Narrative**

I understand that the completion of this application and narrative/video serves as acknowledgment and consent to be video recorded and photographed.

You will have a total of 1000 words (narrative) or 8 minutes (video) to answer these questions: Please state which question you are answering by stating the number. It is not necessary to restate the question. You may answer in English or Spanish

1. What influenced your decision to work in Early Care & Education?
2. What are the most critical practices that you implement to ensure the greatest outcomes for children?
3. How have you examined your own personal, racial, and cultural biases to better serve families and children?
4. How do you extend your influence outside of your agency in an effort to support children's success?
