Title 1 Program

Title 1 is a federally funded program to help students meet the state's high standards in reading and math. At Ritzville Grade School, we serve students in grades K-5.

The effectiveness of this program is evaluated by how well our students perform on grade level reading and math assessments, our district MAP assessments as well as on the state Smarter Balanced (SBA) assessment.

The purpose of this Title 1 policy is to encourage parents and families to support their children's learning. In the fall, a school, student, parent agreement/compact will be reviewed and signed to reflect commitment to this school/family partnership. Parents are also encouraged to fill out our survey in the spring which will help improve our schoolwide program. Parents and families are encouraged to attend our annual Title 1 Parent Meeting. Studies show that students with involved parents and families are more likely to have success in school and continue their education.

Schoolwide Title 1

Our schoolwide Title 1 program has the goal of ensuring that all students, particularly those who are low-achieving, are able to meet and exceed the standards on district and state assessments. The program has an overall plan of how everyone in the school will work together to raise student achievement. The state's Learning Assistance Program (LAP) and Title 1 provide assistance to students who are not reading at grade level. Students who have difficulty with reading or math are given timely, effective, and additional assistance. Teachers use assessment data regarding student performance to determine which students need extra support.

Teacher-Parent Partnership

- Report cards, progress reports and MAP assessment data are provided throughout the school year.
 - Teacher-Student-Parent Compacts are signed in the fall.
 - Parent meetings are held during 1st and 3rd quarter conferences.
 - At the annual Title meeting, parents have the opportunity to give their ideas about the Title 1 program.
 - Parents may contact the classroom teachers and the Title 1 teachers at school by calling 659-0232 or by E-mail.
 - Parents are encouraged to check their child's Skyward Family Access program to check on their child's progress, grades and/or missing assignments.
 - Additional conferences may be scheduled by parent request.
 - Parents will receive a copy of this Parent Family Engagement Policy in the fall.
 - Parents are encouraged to attend parent family engagement opportunities throughout the school year.
