Description

The Luxemburg-Casco School District seeks two (2) full-time sixth grade English Language Arts teachers. We are looking for teachers who truly believe all students can succeed in a global environment by ensuring excellence in both intellect and virtue. We are looking for teachers who will work well in a collaborative environment and be centered around student success. The teachers must be lifelong learners and be able to build learner capacity in a face-to-face and blended environment.

Required standard minimum skills and qualifications:

- Candidates must have a valid WI Department of Public Instruction license or eligibility to obtain license upon hire (Elementary Education through 6th grade, or Language Arts License that encompasses 6th grade).
- Plan instruction that meets student needs and curricular requirements.
- Offer appropriate and engaging instruction that is student centered.
- Knowledge of best practices in differentiating instruction.
- Preferred knowledge and past implementation of HMH Into Literature resources.
- Willingness to plan and adapt instruction for advanced classes.
- Assess student work to support growth.

- Provide a safe and secure learning environment.
- Demonstrate professionalism and an ability to communicate effectively.
- Willingness to collaborate with others on curriculum, assessment and instruction, as well as the creation of lesson plans/materials.
- Have a growth mindset and the willingness to be a lifelong learner.
- Belief that there is a difference between failure and being a failure. Some of the greatest lessons come from failing - but only if you're willing to learn from them.
- Have a background in understanding data to support building level systems such as RTI and PBIS.
- Participates in all required training, at both a school and district level.
- Completes additional duties, as assigned by the principal, to meet requirements of school and federal guidelines.
