

MISSION STATEMENT

St. Benedict at Auburndale is a diocesan coeducational, college preparatory school committed to academic excellence through a comprehensive and challenging multi-level curriculum presented in an atmosphere permeated with the aims, values, and teachings of the Roman Catholic faith.

ABOUT OUR SCHOOL

St. Benedict at Auburndale was founded in 1966 as The Auburndale School System, then sold to the Catholic Diocese of Memphis in 1988 by Dr. Mary Alice and Mr. Stanley Smith.

The philosophy of St. Benedict at Auburndale recognizes as its highest value an environment wherein knowledge is enlightened and enlivened by the Gospel virtues. St. Benedict at Auburndale is aware that each student has a personal style of learning and works to provide an atmosphere that capitalizes on strengths and remediates weaknesses. Knowing also that the classroom is not the only arena in which learning takes place, St. Benedict at Auburndale attempts to educate the whole person by providing a variety of co-curricular and extra-curricular activities.

The school has a staff of 41 faculty members with over 66% holding a Master's degree or higher. There is a ratio of one faculty member per 9 students with an average class size of 18 students. The maximum class size for the PLUS program is 16 students.
