**COST PRICE ANALYSIS**  
**FOOD SERVICE KITCHEN EQUIPMENT**

May 1, 2024

VENDOR	Equipment Costs	Delivery Costs	Installation Costs	Warranty Costs	Total Cost
Jean's Restaurant Supply	\$275,150.73	Included	\$13,260.00	included	\$288,410.73
Mission Restaurant Supply	\$188,674.62	included	\$0.00	included	\$188,674.62

As a result of the District's recent solicitation for Food Service Kitchen equipment, the District received two proposals. Jean's Restaurant Supply, and Mission Restaurant Supply submitted proposals based on the specifications requested and onsite visits. Pricing for the equipment is indicated above.

In accordance with the specifications, all equipment proposed appears to be within the estimated price range for similar products and features within this market. It will be incumbent upon the review team to verify pricing on all equipment.
