

Parents/guardians can sign up as an Observer in Canvas. Observers can link their Canvas account to their student's account so they can see assignment due dates, announcements, and other course content. Observers can view the course content but cannot participate in the course.

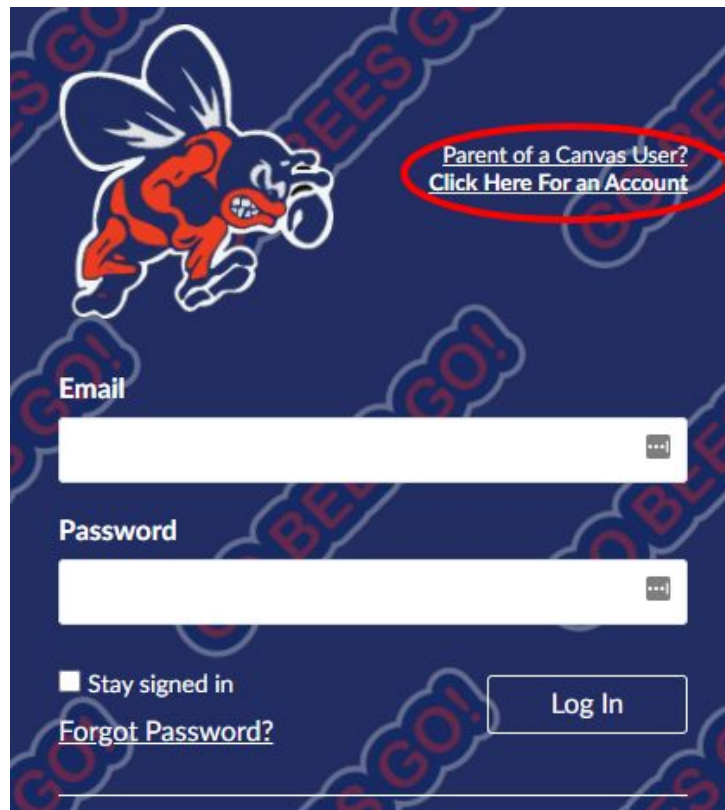

This guide is for parents/guardians who do not have a Canvas account and want to observe their students in their courses. To complete this process you will need your student and their Chromebook ready so they can generate a pairing code in step 4.

Use this link when creating your account in a web browser like Chrome, Firefox, or Safari.

- **Open Canvas URL**

bridgmanschools.instructure.com

- **Click on Parent of a Canvas User?**

The image shows the Canvas login page for Bridgman Schools. The background is dark blue with a repeating pattern of the school's mascot, a red and white bee, and the words "GO!", "BELIEVE", and "GO!". In the top left corner is a large white outline of the bee mascot. In the top right corner, the text "Parent of a Canvas User?" is circled in red, with "Click Here For an Account" written below it. Below this, there are two white input fields: "Email" and "Password", each with a small "..." icon on the right. At the bottom left, there is a checkbox labeled "Stay signed in" and a link "Forgot Password?". At the bottom right is a white "Log In" button.

- **Enter signup details**

Student Pairing Code

What is a pairing code?

[View Privacy Policy](#)

Cancel

Start Participating

Enter the required information. The pairing code is case sensitive. See step 4 below to generate a student pairing code.

4. Student Pairing Code Directions

- Have your child go to their Canvas dashboard.
- Then click on the Account icon.
- Then go to Settings.
- Over to the right in Settings, select Pair With Observer. It will generate a case-sensitive pairing code
