Action Desired: Approval _____ Discussion X Information Only _____

Background:

The City of Papillion and the City of La Vista have provided School Resource Officers at secondary schools the last several years. The City of Papillion has recently proposed adding a School Resource Officer (SRO) Supervisor position. The purpose of this position is to provide more robust monitoring, evaluation, and supervision of the front-line SROs. Additional responsibilities are outlined below. The City proposes splitting the cost of the proposed SRO Supervisor position evenly between the City and the school district.

The following items are proposed based on discussions with the city, police department and the school district.

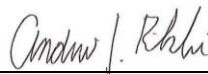

- 1) The amount to be paid by the district would be 50% of the actual annual cost to the City;
- 2) The City will commit to this 50/50 actual annual cost arrangement for 20 years via an Interlocal Agreement;
- 3) The proposed SRO Supervisor position will be responsible for supervising and evaluating the other SROs and cover for them when they are absent for illness, PTO, or training duties;
