We are stronger together! At Pittsburgh Millions 6-12, we empower students to embrace their unique identities, cultivate essential skills, expand their intellect, engage in critical thinking, and find joy in their educational journey. Our school will involve parents, in an organized, ongoing, and timely way, in the planning, review, and improvement of the Title I program, including the planning, review, and improvement of the school's parent and family engagement program. This is work that we cannot do without the support of our parents and families. To develop a school-wide college going culture we use the resources and efforts of our community partners and interest from our parents and families including limited English proficiency, parents,

and family members with disabilities and parents and family members of migratory children. Pittsburgh Millions 6-12 will also educate teachers, specialized instructional support personnel, and other staff, with the assistance of parents, in the value and utility of contributions of parents and family members, and in how to reach out to, communicate with, and work with parents and family members as equal partners, implement and coordinate parent programs, and build ties between parents and family members and the school. language the parents and family members can understand.

Title I Meeting

Our annual Title I parent meeting is held on Thursday, October 24, 2024 from 3-4 PM. Below are topics covered:

Millions Curriculum * Title I Report * Review of School Progress on State Academic Assessments * Achievement Levels of State Academic Standards * Parent Involvement * Important Upcoming Dates

Individual Conferences

Any parent that wishes to have an individual conference throughout the school year may do so by notifying one of the student's teachers, counselor or by contacting the Main Office at (412) 529-5900 or Mr. Graf at (412) 295-8579. These conferences may occur at different times during the day, morning, or evening. The school will provide opportunities for regular meetings, if requested, for parents to formulate suggestions and to participate in decision-making, as appropriate, regarding the education of their children.
