Late Enrollment (Grades 1-8) into DLI Program (NEW)

Parents wishing to enroll their child in the Dual Language Immersion Program at Jimenez elementary will be required to attend an informational meeting outlining the program, including the determination of appropriate program fit. Students will take an assessment to determine language proficiency and identify the need for potential academic supports.

Enrollment Priorities for late enrollment in the DLI program will follow the priorities as outlined above.

Administrative placements (NEW)

May be made in accordance with Board Policy and Education Code.
