Safe & Ethical Behavior – Grade 1

Dear Families/Caregivers,

We are learning about how to show and spread kindness to others at school.

Some strategies to show kindness are:

- Be Safe
- Include Others
- Show Empathy

Supporting Your Child in Showing Kindness to Others

- Have your child think about how it feels when others are kind to them. Talk about the ways they can show kindness to others.
- Show appreciation to your child when they show you kindness.
- Whenever possible, find ways to be kind together with your child. Help your child understand that acts of kindness can be small or large gestures.

Thank you for your support.
