Safe & Ethical Behavior – Grade 4

Dear Families/Caregivers,

We are learning about bullying and how the school community can prevent it.

Some strategies to prevent bullying are:

- **Be a Buddy**
  Show kindness to help everyone feel safe.
- **Interrupt**
  Tell the person to stop the bullying or create a distraction.
- **Tell an Adult**
  Talk to an adult at school or home who helps you feel.

Supporting Your Child in Preventing Bullying

- If your child experiences or witnesses bullying, or isn't sure if something is bullying, encourage them to tell an adult.
- Encourage your child to be kind to their classmates to help create a safe environment at school.
- Talk to your child about ways their school can help them. Help them identify safe adults at school they can talk to.
- Remind your child that bullying is never okay, and they can always get help.

Thank you for your support.
