

EVENT NOTICE – Friday, February 14, 2025
Fargo Public School District #1

The following information is for media outlets for the purpose of assigning staff coverage to the event.

RED RIVER ZOO ZOOMOBILE TO VISIT FPS ELEMENTARY SCHOOLS

Fargo Public Schools students don't need to head out on safari or take a trip to the rain forest to get an up close and personal look at exotic animals. The Red River Zoo is bringing animals to them right in their classrooms.

WHAT: ZooMobile Visits
WHEN: See schedule below
WHERE: See below
CONTACT: Elementary school principals

The Red River ZOOMobile is visiting third grade classrooms at Fargo Public Schools elementary schools this February and March. A representative from the Red River Zoo will bring several animals into the classroom and give the students an up-close look and information about the animals. The presentation will last about 30 minutes per classroom.

The animals are chosen the day of the presentation based on which ones seem up for the trip.

As part of the presentation, the students will learn a number of facts about each animal including what it eats, who their predators are, where they live, the lifespan of the animal, how old that specific animal is, and other fun facts. Students are encouraged to ask questions.

Each student will get a close and personal look at each animal as they are brought around the classroom at the end of the presentation, as long as the animals are willing to participate.
